

THREE RIVERS SCHOOL DISTRICT

POLICIES RECOMMENDED TO DELETE - NOV. 16, 2022

Three Rivers School District recently performed an audit of our board policies. Audits of this nature are conducted with the assistance of the Oregon School Boards Association, the agency responsible for updating model educational policies for the state.

We found that we have several policies that have not been updated for over 15 years. Some of these are no longer applicable to current programming offered by TRSD, some have been updated through legislation and others have been absorbed into other policies. Because of these reasons we are recommending that the board approve the deletion of the following obsolete policies.
