ACTION

TITLE: Consider Naming A Legislative Liaison For ASBA

DATE: November 14, 2022

RESPONSIBLE ADMINISTRATOR: Terry Morawski, Ed.D.
Superintendent

BACKGROUND/CONSIDERATIONS:

The 94th Arkansas General Assembly is set to convene on January 9, 2023. The Arkansas School Boards Association (ASBA) requests that the Board choose one member to serve as the legislative liaison.

The District's liaison will receive weekly communications from ASBA during the legislative session and will be tasked to keep the Board informed of legislative activity and occasionally communicating issues of importance to local legislators. The liaison will serve in this position from December through the 2023 legislative session.

RECOMMENDATION:

The administration recommends that the Board select one of its members to serve as the legislative liaison.

If the Board agrees, the motion would read:

Move to designate _____ as the legislative liaison to serve during the 2023 legislative session.
