

Facilities Report
October 2025

1. Put three new windows in brown garage replacing the broken ones
2. Painted Handicap signs on West parking lot
3. Repaired door , had to put new hardware on it and glue
4. Change all burnt out lights in all of the entries outside around the school
5. Put new wires on air compressor and got it working again
6. Took girls bathroom sink apart because it was leaking and had broken parts, used water lines and clamps from my house to fix it
7. Moved TV's from room to room and mounted on the walls
8. Put the boilers back together and got chemicals measured and filled , took about a week
9. Two pumps froze up on the water feed, so I took apart and fixed them. Saved the school about \$1,000
10. Replaced all the burnt out light bulbs in all the hallways, about 40 bulbs
11. Replaced stained ceiling tiles
12. Started boilers and pump, water loops Oct 20th
