Re: Summer 2023 Bond Renovation – Bond Update

I would like to add an agenda item to Monday's Board of Education Committee of the Whole meeting. French Associates would like to present updates on Project #2 – Summer 2023 Bond Renovations. This will include a brief review of the Design Development (DD) drawings that French had previously presented to the Board. Additionally, French will present renderings, including 3D "fly through" of three building LMCs so the Board can be up to date on the design being renovated in summer 2023.

Please contact me if you have questions. Thank you.
