Re: Superintendent's Report - November 2019

I. GRANTS -

While we are waiting to hear back from our new federal grant (The Literacy 365 Project) director in D.C. on our budget revision approval, we are busily working on another five-year State grant that would also target literacy. Our goal is to focus on professional development and to also strengthen community early literacy and language resources to be utilized during the summer months. We hope to know by the December meeting if we receive this grant or not.
