Subject: Read by Grade 3 Legislation

I would like to request an opportunity to present the communication plan for our parents about the tenets of the Third Grade Reading Law, the supports we have put into place over the last three years, and our plan for students who may be identified in May as below grade level. Please consider adding this agenda item to the February 10, 2020, Curriculum Committee segment of the Board of Education meeting.

Thank you for your consideration of this request.
