Referrals:34

Drops: 6

Rising Voices Poetry Club

The Rising Voices Poetry Club was able to meet with Gaby Eseverri, a member of the Glacier National Park Media Team. Gaby, works as a fellow for the Glacier Conservancy and Glacier National Park. Part of her work has involved creating content for the GNP podcast Headwaters. Our students wrote poems relating to climate change and shared them with Gaby. There was A LOT of interesting discussion that resulted from their work...and some random "off the wall"

hilarity   Thank you, Gaby, for sharing some of your time with us and providing a platform for these students to share their collective voice!

Food Drive Nov 1-Nov 18

Each Advisory class is collecting food items to create Thanksgiving baskets for the community. Please donate if you are able!

Halloween

Many staff and students braved windy Halloween with their wonderful costumes. The Athletic Department handed out candy to students and staff for their participation in Red Ribbon Week and for choosing to be Drug Free.

TRIO Pre-College Advisor Joshlynn Snow

Joshlynn has been working in Browning MS/HS and Heart Butte MS/HS. The total students being served in our region is 91. She is currently recruiting with a target range of 360 for Blackfeet Target Area. She is currently working to plan educational trips to MSU Northern, Great Falls College and UM Western as well as planning workshops for students and parents. Workshop topics are College 101, STEM, Financial Aid, and Careers. Joshlynn and TRIO are a great addition to BHS.

Game Fridays

After 2 ½ years of a pandemic and remote learning we were seeing some learning loss and social emotional concerns. To kick off the school year our classrooms have been playing games related to their content to build foundational skills, social skills and a positive classroom environment. We are working together as a team to plan our next steps for Friday to include enhancement, remediation and practice of skills for their content areas.

We have many positives happening at BHS:

Bell ringers, exit tickets, best practices for teaching, projects, career exploration, laughter, discussions, mindfulness, exercise, questions, excitement, pride, support, support, guidance, growth, good student/staff attendance and great grades! **BHS is a place of safety, comfort, consistency, happiness and pride!**
