On September 24th Applegate had an Open House. Mr. Fuller showed the Title 1 slide presentation to families.

Site Council discussed recruiting more members to be on Site Council. The school will advertise this in the school newsletter that goes out monthly. Site Council would like to get more parent, school and community involvement.

Site Council reviewed and discussed ideas to revamp the SIP (School Improvement Plan). Site Council will be discussing and reviewing the school as whole. With this Applegate will be able to write goals for the school.

Site Council discussed what a great addition our music program has been for grades k-5. Applegate has Jennifer Joy coming out and teaching students about music, singing, and reading music. All of this while students are having a blast in her class that meets weekly.
