

**BELDING AREA SCHOOLS
BOARD OF EDUCATION
MEETING**

DECEMBER 16, 2024

VOLUME LXII

FOR ACTION

SUBJECT: Annual Summer Tax Resolution

Background and Findings:

Yearly, the Board of Education needs to vote and approve on when taxes should be levied across those who live within Belding Area Schools boundaries. For many years, the school has voted to levy taxes from the City of Belding 100% during the summer and the townships during the winter tax levy. Getting the money over the summer limits the districts' potential need for taking loans to cover expenses.

Recommendation:

It is recommended that the Board approve the summer tax levy for the city of Belding.
