

Act 1240 Waiver Request

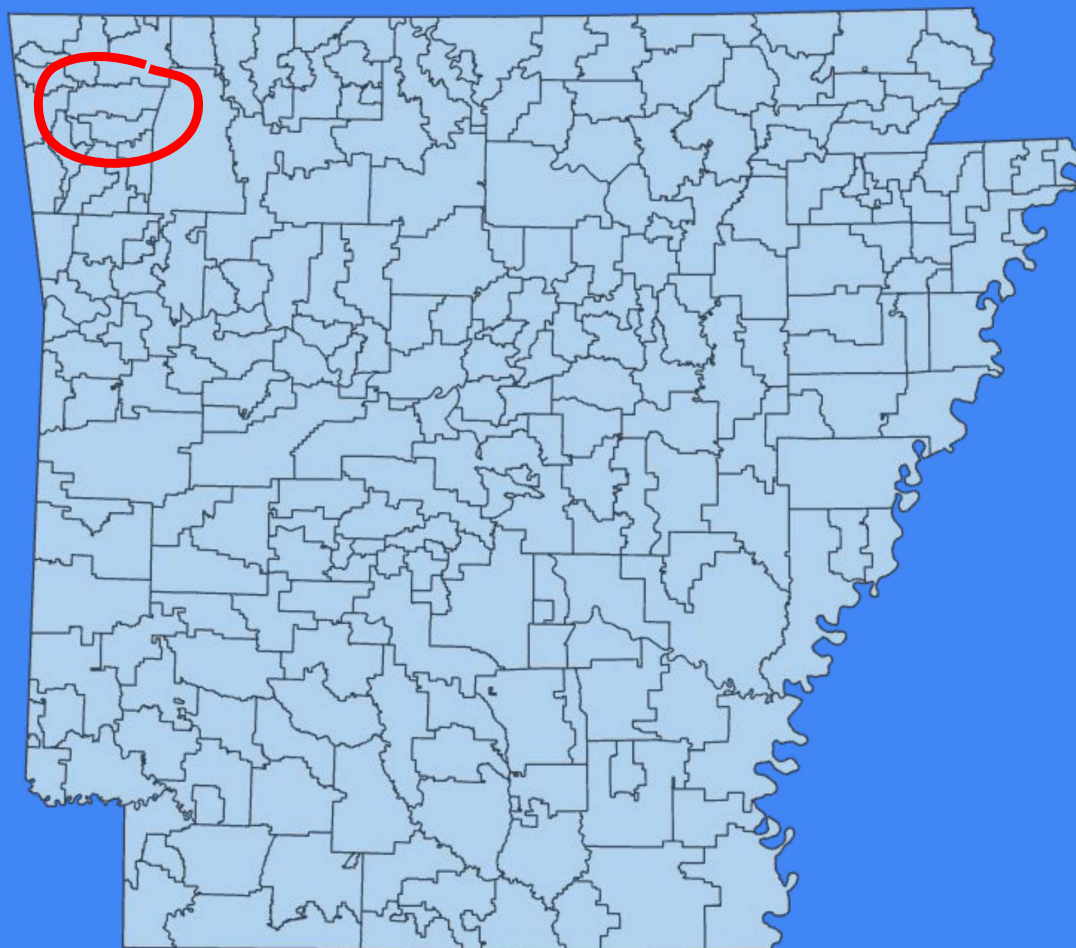

The Ask

- Class Size and Teaching Load
 - Up to 2 students over
 - Limited but flexible use
 - Grades K-12
- Licensure
 - Extension of DTOSI goal of robust CTE
 - Flexibility in student scheduling
 - Grades 8-12

Specific (Real) Examples

- 3rd grade West side is full
 - Busing to East side takes extended travel time
- Zoned school has one seat open
 - Twins enroll
- Zoned school is full and transferring out
 - Student moves to different zone due to parent death and teacher begs to keep student
- Secondary student enrolls mid-semester and needs credit in AP Human Geography
 - No seats are available

Licensure

- History of valuing teachers
 - Starting teacher salary \$50,282
- Dr. Cleveland's vision of expanding CTE
 - Don Tyson School of Innovation offers robust CTE program with numerous industry certifications and credentials that make students immediately employable
 - Broad expansion where industry experience during traditional school hours is norm for high school students
- Waiver would allow to offer classes based on student needs rather than staff certifications
 - Flexibility to change year-to-year
 - All teaching staff get support
