Principal's General Narrative:

Homecoming week was a very busy time for both students and faculty. I would like to thank Mrs. Rueda for helping to start what I hope will be a new and fun tradition- The "Burning of the T". Mrs., Brandt always does a great job organizing the homecoming pep rally and all of the class sponsors went above and beyond in helping to organize the parade and other homecoming activities. I and all the members of the high school and junior high appreciate the time, effort, and wisdom that school board members give on our behalf. We recognize that without the great leadership from the school board and Mrs. Renken our direction of continued and greater success would not be possible.
