**Re: Proposed Updates to Policy CDC(Local)**

The suggested revisions to CDC(Local) would allow teachers to request items needed via crowdfunding with the pre-approval from the principal and/or the District personnel that oversees any area of modification needed such as technology or continual upkeep. These changes would ensure that specific processes are followed in order to maintain transparency and legalities for all parties involved.

**Recommendation:**

An appropriate motion for board action on these local policy updates is:

*"I move that the board revise policy CDC(LOCAL) as presented."*
