Craig, AK 99921

Dear Jackie Hanson:

The Department of Education & Early Development (DEED) has scheduled an on-site special education compliance review for the Craig City School District between **9/9/2024** and **9/12/2024** (*Specific dates pending travel approval*).

The purpose of this visit is to review the Craig City School District's implementation of the state and federal requirements for special education. To prepare for this review, it is required that you send a spreadsheet list of special education teachers, related service providers and interpreters for the deaf. This information is needed **prior** to the on-site visit. This personnel list must include the staff names, positions, and current Alaska State certificate status.

If you have any questions, please contact me at (907) 465-8702 or Joni.McCarty@alaska.gov. I genuinely appreciate your assistance with this matter.

Sincerely,

A handwritten signature in blue ink that reads "Joni McCarty".
