

# LAKE AND PENINSULA SCHOOL DISTRICT BOARD REPORT

Focused on bringing high-quality CTE education to the students of Bristol Bay

In December, students from the Bristol Bay Region participated in the second year of the Board of Fisheries program and also the first year of the Alaska Young Fishermen's Summit!

During this event, students listened to presenters, participated in mock fisheries board trials, received certifications of completion and were highly spoken of by all AYFS staff members!

## PD Week & Jumping Into Spring!

BBRCTE was awarded a grant from DEEDS which was used for a professional development week in January & facilitated by Tim Pearson. The staff used this time for team building, discussing the future of BBRCTE pathways & met with partners such as BBNC Shareholder Development and Bristol Bay Foundation.
