The following policies have been reviewed by the District #304 Policy Committee and come now to the Board of Education for review and comment.

1. Care of Students with Chronic Health Conditions
Policy 5335 (New)

This is a new policy from NEOLA. Policy 5335 comes as a recommendation from the Association of School Nurses. The language of this policy is reflective of our current practices.

This policy does not align directly to Illinois School Code, therefore it is not required by law.
