Dear Neah-Kah-Nie School Board and Superintendent Reed:

Kim Miller has been an outstanding volunteer in the library. Kim helps by getting new books stamped and labeled so they are ready for processing which makes new books available to students right away. She has helped set up book displays, decorated the library, and brought in plants from home to give our library a warm and welcoming atmosphere. Having Kim here to help with so many of our tasks has allowed us to accomplish library projects that would easily take two or three times longer without her support. Having Kim as a volunteer makes us able to experiment with innovative ideas that our librarian wouldn't have time to do without Kim. Kim truly believes in the library being the heart of a school and gives us her time to make sure our library is that special place at Nehalem Elementary.

Kim, we greatly appreciate you keeping organization systems going in our library, filling staff bellies with professionally baked treats, and for always being a cheerful and happy force when you come into the school. We sure recognize everything you do for us! Thank you!

Sincerely,

Kristi Mills, Principal

This is Kim bringing our staff homemade treats in December! Thanks, Kim! We love you!
