COMMUNITY LEADER PLEDGE

I submit this pledge on the behalf of my local government, school district, organization, or business to promote and participate in the 2026 Healthier Texas Community Challenge. Our organization is committing to:

- Promote Community Challenge registration and encourage participation within our sphere of influence, ensuring that everyone has an opportunity to join.
- Recruit like-minded local organizations and leaders to join the movement, amplifying our collective efforts to build healthier, more connected communities.
- Organize health-related group activities that foster social support and community engagement.
- Promote the Community Challenge across your organization's social media and informal communication channels, helping to spread the word and inspire others to get involved.
- Celebrate progress and milestones with your community, recognizing the collective achievements that move us toward better health.

I recognize that a healthy community is more united, productive, and prosperous. I am dedicated to fostering the well-being of my community and vow to contribute to its lasting health for generations to come.
