

February Board Report

In the month of February, the BMS students and staff started off the month with Count Day Activities. The goal was to get as many students back into school and due to the extreme cold temperatures, however some of the outdoor activities had to be postponed or cancelled. Currently, BMS has a total of 381 students enrolled with 10 students attending via Remote Learning.

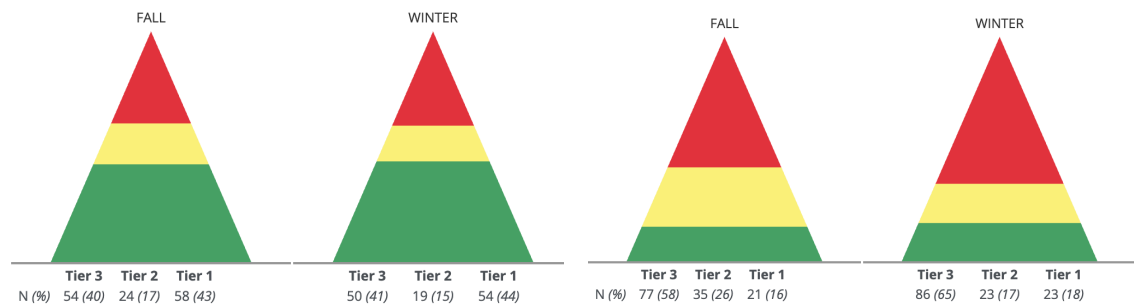

Assessments continued this month with 98% completion for WIDA-Access for ELL students, due to some students not being dropped but are no longer at BMS. The staff completed Social Emotional ratings for all of the students via the DESSA-Apture platform and these results are ensuring the counselors are scheduling meetings with individual students who are in need of support. The ELA and Math teachers and Instructional Coaches completed the Aimsweb Assessments in ELA and Math and the scores are listed below.

7th Grade ELA

7th Grade Math

8th Grade ELA

8th Grade Math

The BMS Science Department collaborated with the Pikuni Lodge and participated in an outdoor activity involving traditional approaches to learning. The goal was to have 60 students, 20 per grade level, attend the event at The Summit, Continental Divide. The students and staff rotated through 3 stations, Skiing, Snowshoeing, and Winter Traditional Games. It was a successful event for the students, staff and Pikuni Lodge leaders.

The Athletics Department has been busy with Boys and Girls Wrestling. The team is large in numbers and the athletes have been working hard to ensure a successful season. The team and coaches
