

2014-15 BOARD GOALS

Morrow County School District

Goal 1: During the 2014-15 school year, the number of students in grades 3-12 who improve their math skills by meeting or exceeding the benchmark will improve by 3% annually as measured by OAKS/SMARTER Balanced.

Goal 2: During the 2014-15 school year, the number of students in grades 3-12 who improve English Language Arts skills by meeting or exceeding the benchmark will improve by 3% annually as measured by OAKS/SMARTER Balanced.

Goal 3: MCSD will provide necessary programs for all students to meet the Oregon Essential Skills requirement for high school graduation by collecting work samples for Math, Reading, and Writing in grades 3-12. MCSD will work in partnership with all stakeholders to implement our District 236 plan to provide the necessary programs, learning opportunities, and interventions to facilitate this goal, and to move toward the state's future 40-40-20 goal for education.

Goal 4: Develop and foster strong communication practices that support the district's mission and goals with all stakeholder populations. MCSD will build trust and improve partnerships with communities, including parents, business, civic and cultural groups through the use of social media. MCSD will look to develop a transparent and consistent communication system that keeps stakeholders informed and connected to important news and events in our school district.

Goal 5: Maintain a strong financial management plan that supports staying current with infrastructure and providing diverse learning opportunities for students

Morrow County Schools, in partnership with families and communities, provide each student the opportunity to develop values, knowledge, skills and self-confidence to become life-long learners and responsible citizens
