Regular Called Board Meeting

Consent Agenda Item #8

1. This is more a general question on my part than anything else.
In this instance, **regarding page 492 - Consent Item regarding contract renewal with Linebarger Goggan Blair and Sampson LLC.**
I realize these are normally standard contracts dealing with normal operating procedures, but shouldn't this and others be brought to the board for approval before they are signed and put into effect?

Yes, all board approval required contracts should be brought to the board before they are signed and executed.
