

## November 2019 Board Report

### Child Nutrition

We are now collaborating with BPS transportation to increase participation in our supper program. They are sending busses around the community picking up families or children and transporting them to the Napi cafeteria for Supper.

Melody Lerma is our new head cook and Brent Still Smoking is the assistant, the food is delicious.

Donald Comes at night Jr. is a new assistant cook at Vina and Cecilia Whiteman is a new assistant cook at KW Bergan.

Jeri Boggs is our new administrative assistant/child nutrition secretary. She is doing a great job getting our department caught up.
