Subject

WISD 2024-2025 Attendance Incentive Program

Background Information

Due to low attendance trends since COVID-19, WISD created an Attendance Incentive Program to help improve campus attendance rates. The program will issue a one-time payout following the 2nd semester, after the completion of the PEIMS Final Summer Submission. These incentives will be added to each campus' budget 199 fund budget. Incentives will only be awarded if districtwide attendance improves by at least 1.5% over the prior year, regardless of individual campus performance. Campuses that meet their individual target after the district achieves its overall goal of 95% attendance will receive an incentive amount based on their percent of the district's population.
