

## **Referral Sources for ECSE Students**

### Screening

Children are brought to iTeam from screening through the following pathways:

1. A score that falls into the “Referral” category on the ESI-R screener.
2. A second consecutive score that falls into “Rescreen” category.\*
3. Extreme parental concern with speech or development\*\*

\*If children fall into the “Rescreen” category, they are screened again between 8 and 10 weeks after the initial screening by Screening staff.

\*\*Extreme parental concern is taken on a case-by-case basis

### Parent

Children are brought to iTeam from parents through the following pathways:

1. Help Me Grow Online Referral System\*
2. Call into Chatfield

\*All age 3-5 PARENT referrals from June until November have been through HMG Online.

### Pre-K Teacher

Children are brought to iTeam if teachers have concerns with speech or development. Teachers fill out iTeam referral form & attend bi-monthly meetings, usually prior to expressing concerns to parents.

## **Current ECSE Statistics**

### Average Time in Each Class for Half-Day Programming (Rotating Schedule)

Morning (2 sessions/week): Between 6.25-7.5 hours per month, per class

Afternoon (3 sessions/week): 10 hours per month.

### Average Time in Each Class for Full Day Programming (Rotating Schedule)

All Classes: Between 6.25-7.5 hours per month

### Students Per Class

9 Total sections of preschool = average 2 students per classroom with current numbers

Pro's:

- Can service more students
- Increase independence in students for Kindergarten
- Decrease reliance on support staff
- Can provide home visits for families who need them
- Provides increased good peer models through typically developing peers
- Increase my time to create interventions for ECSE kiddos
- Increase my availability for testing students--right now cannot do more than 1 evaluation at a time, and 8 students are going through iTeam process

Con's:

- Less direct time with each individual student
- Possible less service time for students whose families decline home visits and decline to participate in ECFE classes, home visits or play groups through the year.
