Catie Smith
Student Council/Leadership
6/7/16

Dear Dr. Cox and the Minidoka County School Board,

This is a letter to request permission to do fundraisers for the needs of the Student Body, Student Council, and Leadership classes/programs.

Some examples of the activities we need to facilitate are:

Freshman Orientation (chalk & posters) \$35

Souper Bowl costs (mostly tape, poster board, and ink for printing posters and flyers) \$40

Homecoming Activities (items for advertising, games, incentives, prizes, etc.) \$265

Assemblies (games, recognitions, prizes for games)-Freshman Orientation, all Orientation assemblies, Fall, Winter, & Spring sports, Homecoming, pep, Red Halverson, East/West, Gift of Green, etc. \$375

Dances: Homecoming, Harvest, Chick Pick, & Prom (decorations, tickets, DJ, added activities) \$5480

Veteran's Breakfast (decorations) \$25

3 Teacher Appreciation Breakfasts \$150-450

Spring Fling activities (similar to Homecoming) \$125

Sport's send-offs when any team makes it to the State play-offs \$20-200

Send-offs when students make it to State competitions. \$20-80

Approx total for the year \$7,000-10,000

Upon approval, we would like to possibly use the following fundraisers:

Color Run (entrance fee \$5-10, T-shirt \$12, and chalk sales \$1-5 per bag)

Color Festival (entrance fee \$2 and chalk sales \$1-5 per bag)

Dances (ticket sales) \$10-35

T-Shirt sales-Homecoming, Spirit, possibly Pink-Out, Minico vs. Burley, other events
\$12-15

Food sales at events \$1-3

Working in the Agora Store. \$200-400

Vinyl sayings (window clings) \$5-15

Candy-grams \$1-3

Candy/holiday sales \$1-5

Opportunities unforeseen

DVD sales of graduation/Senior Shout Out video/End of the Year video \$10

In addition to fundraising for our activities:

We collect donations at school for the canned food drive and Gift of Green.

We also often collect money donations at events to support worthy causes, such as the Mini-Cassia Child Protection Team, Make-a-Wish Foundation, American Heart Association, and other causes.

We would like to raise the needed \$7,000-10,000 and possibly more to purchase needed equipment/supplies.

Sincerely,

Catie Smith

BASEBALL FUNDRAISER

Each year we sell oranges in December and in March we sell advertising in our yearly program.

Fundraisers for the building are going to be separate from those. For the building we will do a call-a-thon, and a possible auction dinner. The fundraisers for the building still need to be worked through a bit before we do them.

To Whom It May Concern,

August 2016

This letter is regarding the Minico Science Club's fundraiser and spending.

Members of the Science club pay \$10 dues to join the club. This is not enough money to pay for all of our activities throughout the school year. (We like to have at least one activity per month and we like to have food at our activities.) Therefore, members are asked to participate in one fundraiser early in the school year – usually in October. We sell items from one of two catalogs, both of which are operated by the same company. We use either the Uncle Jerry's t-s or Natures vision catalogs. The goal for each student is to sell 12 items from the catalog. Depending on which items they sell, this could raise anywhere from \$40-\$100 per student for the club.

We use the money for the following activities:

- Two all day field trips: the destination varies, but we have gone to Boise and Idaho Falls in the past. The club pays for the bus and the entrance fees to the museum or wherever we go.
- This year we hope to attend Physics Day at Lagoon in May of 2017 & the club will pay for the bus & entrance fees
- A trip to the CSI Planetarium at night-the club pays for the bus and the show
- Pi Day celebration-we eat pie from Perkins-paid for by the club
- End of the Year pizza party-the club buys the pizza
- The club purchases t-shirts for those students who meet the fundraising goal-those who don't do the fundraiser must buy their own shirt if they want one
- The club gives a \$300 scholarship to the Science Club President for the year.
- The other activities vary from month to month depending on the president's ideas/plans. Usually, the club pays for food and supplies for any crafts or activities we do.

Because the amount of members we have every year varies, we cannot set a specific goal for fundraising, nor can we say the exact amount we will spend during the year. We do try to spend approximately the amount we earn each year, however. If we have a particularly good year, the club will pay for lunch or dinner on the field trip, but if not, the students pay for their own food. We also like to keep a little extra in the fund so that we have money to pay for our first field trip of the year, which we try to take prior to doing the fundraiser.

Here are the numbers for last year. Assuming we have approximately the same amount of members and fundraising as last year, our numbers for this year will be about the same.

Minico Science Club 2015-16:

- 96 members
- Made \$960 from dues
- Made \$1077 from fundraiser
- Spent \$2223 on the activities similar to those listed previously

Sincerely,
Amy Larson

The Volleyball Coaches at Minico would appreciate your consideration of a request to participate in fundraising for our 2016-2017 volleyball season.

Suggested fundraisers:

*Gather donations or sponsors for New uniforms for our JV and Varsity teams:

- Use \$60 for Banner with all donors names on it.
- Expected to earn \$1800 (One team uniforms cost \$900)
- Each player on JV and Varsity will be required to find \$100 donations.
- All donors will be on the program and banner, all donors who donate \$100 or more will be announce at each home game.

*Powder Puff Volleyball for Sr and Jr boys during Homecoming week.

- Saydi Anderson has talked to Mrs Smith and she has ok'd us to promote and take tickets at the door. \$3.00 each.
- We will make posters and spread word for teams and then the game will be one of the nights during homecoming week.
- Dont know how much we will earn.
- We need it for new Balls. The state volleyball is changing this year from Tachikara to Baden so I need to buy at least 5 new Baden balls.I am missing 10 balls from my closet that need to be replaced.
- Balls cost \$50 each so I need \$500.

*Homecoming bracelets

- \$80 for 300 bracelets. Sell bracelets for \$2-\$3
- different types of bracelets.
- 1-go pink ones for our pink night and football pink night
- 2-homecoming bracelet
- Hope to earn \$300-\$400.
- Spend \$160 for bracelets
- Use money for balls, senior night, tape,pre-wrap

The wrestling team would like to hold a gun raffle as one of our already board approved fundraisers. We know that a gun raffle could look like a red flag, but we would like to explain how the fundraiser would be organized, and what the money would be used for. We have given this much thought, and also talked to several people, including two wrestling coaches, who have done this kind of fundraiser before in their schools. We anticipate selling 1000 tickets, and each ticket will cost \$20. We will then raffle 25 different guns to people in the community **18 years of age or older**. We don't intend on actually purchasing guns, and having them available at the raffle. Instead we would purchase gift certificates, from somewhere like Sportsman's Warehouse, that can then be used to purchase the guns. This way the winner of the gift certificate would go to Sportsman's Warehouse, and either receive the gun or use the gift card for whatever they would like in the store. We want to reiterate that we will be buying gift certificates, and raffling them off rather than exchanging the guns at the school. This also insures all federal requirements would apply in order to receive the gun (**ie. pass a criminal background check and be 18 years of age**).

We estimate making \$10,000 after guns are purchased, and the raffle is conducted. The funds would be used to buy new championship singlets for our varsity wrestlers to wear during the finals of a tournament. We would need to buy 15 singlets with an estimated cost of \$2000 for the championship singlets. We would like to buy new Cliff Keen warm ups for the varsity team to use this year. The estimated cost for the warmups would be about \$3000. We would set \$2000 aside for team travel to the state tournament. We are staying at a hotel close to the Idaho Center, and we had to pay the difference for these rooms. We feel this is important for the team because the hotel is within walking distance from the arena, and that way the kids that make it to state will be able to have access to the hotel during the very long two day tournament. We are anticipating a great tournament in which they will be hanging a banner come February. The additional \$3000 will be used for off season tournaments and camps (not sanctioned by IDHSAA). The days of being a three month athlete are over, so these off season tournaments and camps are vital in creating championship style athletes and teams.

Sincerely, Brad Cooper and Boe Rushton

Dear Dr. Cox and Board:

The Idaho Drug Free Youth Club at Minico High School requests permission to have permission to sale bottles of water and have a few car washes to help raise money for this next school year.

The funds raised helps send some students to the Idaho Youth Summit each Spring in Coeur d'Alene Idaho, a chapter retreat in Cascade in the Fall, some activities, our annual i2i program, and this year we want to bring in a motivational speaker. The i2i costs over a thousand, the speaker will also cost over a thousand. Thus we need to be able to raise money. This is a program that does change lives.

We have not done anyother fundraing except these.

Sincerely yours

Casual Wednesday Fundraiser for Mt. Harrison Student Council

Suggested Dates:

EAST

As a school, we plan to have one fundraiser next year. It will be through Great American. Students will sell cookie dough and catalogue items. The funds will be used for student rewards/activities throughout the year, a mat for the gym floor, and other projects to benefit our school. We will hopefully raise around 3,000-5,000 dollars from this one fundraiser. Last year we had a similar fundraiser, the funds were used to purchase our new score board.

Other clubs and sports at East have fundraisers. The football team hosts a dinner, the dance team sells various items, our cheer team fundraises, and our music departments all have smaller scale fundraisers to buy materials, equipment, and travel to use for the school year. We do not have a large amount of funds leftover in any of our accounts at East.

Dear Dr. Board of Trustees and Dr. Cox,

The staff at Rupert Elementary would appreciate your consideration of a request to participate in following fundraisers for the 2016-2017 school year.

School Goal:

- Marquee for the Rupert Elementary Campus

Projected Cost: \$20,000-\$30,000

Suggested fund raisers:

- Chocolate sale
- Hat day (you can wear a hat for \$1)- Money goes to Coats for Kids

We have spent most of our fund raising money in the past few years on technology. By the end of summer we will have met the majority of that technology goal of having one-to-one devices. We would now like to move forward on purchasing a Marquee for our school.

Sincerely,

Laurie Copmann
