### STUDENT RECORDS

BP 5125 (a)

Note: The Family Educational Rights and Privacy Act (“FERPA”) is a federal law requiring districts to maintain policies and regulations for student records that meets the requirements of law. The complexity of federal and state laws makes it imperative for the district to carefully consider its actions with regard to student records and seek legal advice when deemed necessary. FERPA regulations have been amended, effective January 8, 2012.

The School Board recognizes the importance of keeping accurate, comprehensive student records as ~~required by law~~. Information may be disclosed from student records when necessary to protect the health or safety of a student or others, as permitted by law. ~~about a student shall be used judiciously in ways that contribute to the student's welfare, in accordance with law.~~

The Superintendent or designee shall establish regulations ~~for Board approval~~ governing the maintenance of student records. These regulations shall ensure parental rights to ~~review~~, inspect and photocopy student records; to seek amendment of student records which are believed to be inaccurate, misleading, or in violation of the student's privacy rights; to consent to disclosure of personally identifiable information except when disclosure is authorized without consent by law; and to file a complaint to challenge the district's compliance with applicable laws governing student records.
