

Student School Board Representative Notes

Three but allowing for rotation

Concerns what materials they would see

How to do selection to be more inclusive

Middle and High school

Middle schools would be interns

Policies said that reps could not vote; are there areas where they can vote

Talked about a stipend

What is the purpose?

Student voice in decision making; increase accountability; Not in favor of giving students vote;

FAC is a good model 4; student valued voice at the study session

Students add to agenda

Can they earn voting privileges?

Question:

- Involvement of high school administrators?
