Resource: Dr. Bill King
Executive Vice President

AGENDA ITEM:

Report Out of the Campus Facilities and Construction Committee and Consideration of Approval for the District President to Negotiate and Execute a Contract with Skanska USA Building Inc. for Pre-Construction Services for the Renovation of the Plano Campus

DISCUSSION:

Over the past few months, District staff have engaged in a procurement process to select a Construction Manager at Risk (CMAR) firm for pre-construction and construction services for the renovation of the Plano Campus.

To select the best value firm, a two-step procurement process was followed. The first step included posting a public advertisement for the project and collecting information from interested firms that indicated their qualifications to construct such a project. The qualifications were reviewed by a selection panel consisting of Collin College staff, and a shortlist of the best qualified firms was developed using a pre-established qualitative scoring process.

The second step involved the shortlisted firms submitting proposed costs for pre-construction services, overhead costs during construction, and a fee percentage based upon the budgeted cost of the project. The shortlisted firms were also invited for a formal interview with the selection panel and were scored using a pre-established interview scoring process. Upon completion of the interviews, the firm having the highest score from both steps was selected as offering the best overall value.

Recommended Firm:

- FY-2024-RFP-022 – Skanska USA Building Inc.
- Pre-construction services fee – not to exceed \$125,000

**DISTRICT PRESIDENT'S
RECOMMENDATION:**

The District President recommends the selection of Skanska USA Building Inc. for pre-construction services for the renovation of the Plano Campus and for the Board of Trustees to authorize the District President or his designee

to negotiate and execute a contract with Skanska USA Building Inc. and approve a budget amendment not to exceed \$125,000 from the Building Fund net position to affect the purchase.
