March 2016

During the first week of March, I received my second Stay Safe certification from the Denton County Sheriff's Office. This is the second one in a series of three. This certification will allow me to teach these classes on demand. Twenty students from the high school graduated from this second Stay Safe class.

I attended the Texas School Safety Center Emergency Management conference in Austin. This three day conference allowed me to sharpen my skills and learn new things that will help increase our level of awareness. While at this conference, I was able to obtain a Federal Department of Education Teaching certification for School Emergency Preparedness.

Officer Jacobs, our volunteer, has resigned from the department. This young man was a tremendous help to the department this year. He will be taking a full-time job with the City of Aubrey. He has put in over 500 hours of volunteer service to Aubrey ISD. I would like to thank Office Jacobs for this dedication to Aubrey ISD, and his willingness to serve.

Thank you for your continued support, as we are dedicated to excellence.

Respectfully,

Scott Collins
