Good morning, below see the break down of the floors and carpets. You are close to same size as LaPoynor ISD and we do them every summer.

Carpets- to be cleaned feet	\$10,245.12	64,032 square
Floors (VCT) stripped and waxed 5 coats of finish feet	\$19,071.28	46,100 square

Total \$29,316.40

Would request **\$9,316.40** on 1st day of job for supplies, remainder **\$20,000.00** when done. Let me know so I can get this on the books.

Thanks

Todd Taylor
