

Dear Mr. Rogers and the Geneva School Board,

My family and I are happy to donate the sum of \$7,578.87 from the "Jim Newbill Memorial Fund" to help the funding of the building of a press box for the Geneva High School Baseball Field.

Jim Newbill's vision for a "State of the Art" facility for "all" GHS athletic areas is also the Newbill Family's wish. Therefore, we wish to donate a sum, at a later date, to fulfill his dream.

Please accept this donation, from many supportive people in the community, to help make his wish come true.

Sincerely,

Lynn Newbill
