SOUTH COOK DIVISION MEETING

Legislative Breakfast

Saturday, February 3, 2018 • Whittier Elementary School • Harvey

PROGRAM:

Legislators representing areas encompassing the South Cook Division will assemble as a panel to share their perspective on education and political dynamics in Illinois. Specifically, a focus of dialogue will entail foresight on details surrounding the newly passed school funding reform law (Public Act 100-0465) along with elaboration on education-related success and challenges within the legislative session. In addition to these topics, each legislator will share his/her assessment on how the upcoming gubernatorial race could impact important legislative matters.

Following the brief addresses of each legislator, a series of education-related questions will be posed to each legislator by the event moderator, IASB Deputy Executive Director Ben Schwarm. Upon the conclusion of the moderated question period, interested event attendees will have an opportunity to present a question(s) to the legislative panel within a Question-Answer Period.

This event is open to all board members and administrators in the South Cook Division. With invitations extended to all legislators serving the South Cook Division area, this event provides an opportunity to hear and interact with elected officials on legislative issues impacting public education.
