SPINDLED LETTER

Morgan Park Middle School Student Council

Dear Students,

I has come to our attention that you wish to offer "Wild Cats" as a team name and mascot at your new Lincoln Park Middle School. Although only one Morgan Park student and their parent were present at our April meeting, we did vote unanimously to support you.

Your team name and mascot are a fine contribution toward the sense of unity, identity, community and school spirit that you must now form with all students at your new school.

Welcome to Lincoln Park. We hope that you will feel at home in this neighborhood.

Sincerely,

Steve Ellis
