Dear Superintendent Ricke:

The Minnesota School Boards Association Awards Program includes a category of recognition for those persons who complete 100 or more hours of attendance at MSBA- and NSBA-sponsored meetings and activities within a four-year period of time. I am pleased to inform you that Jodie Davy has attained the Directors' Award for 2022-2023.

This certificate has been mailed directly to you with the hope that you will present it to Jodie with our congratulations, perhaps at your next board meeting.

We at MSBA appreciate the efforts and dedication all Minnesota school board members put forth for the sake of public school children, and we encourage you to urge their continued participation. Thank you!

All of MSBA's award winners will be honored at the Leadership Conference Recognition Luncheon on Thursday, January 12, 2023. If you plan to attend the luncheon, please be sure to pre-register.

If you have any questions, please do not hesitate to contact me at the office (800-324-4459). MSBA is looking forward to seeing you at the Leadership Conference!

Sincerely,

Katie Klanderud
MSBA Director of Board Development
