

REPORT: DELL Financial Services

BACKGROUND INFORMATION:

The Board approved the Technology Computer Lease Program on September 8, 2014. The second implementation phase (2014-2015) includes elementary computer labs and libraries, DAEP computer labs, and teacher laptops total 1,176 units. The *main purpose* of the Secretary/Clerk form is for your account to provide us with “signature validation –authentication” of the individuals who may sign the final lease document.

The secondary purpose of this request is to have the Superintendent of DeSoto ISD serve as an authorized signer in the event the DeSoto ISD Chief Financial Officer (CFO) is unavailable.
