Item: Security Camera Additions

Submitted by: Tim Peraino

Date: 12/11/2023

Recommended by: Kevin Philipps *KP*

Board Meeting Date: 12/18/2023

RECOMMENDATION:

It is recommended that the Kent ISD board approve the purchase of Avigilon security cameras and related equipment in the amount of \$121,616.66 from People Driven Technology.

People Driven	\$121,616.66
REMC	\$123,392.09

BACKGROUND:

This project will add much needed security cameras at KEC Beltline, KEC Oakleigh and Empower U Central. Each of these sites either has no cameras or has older cameras on a system that we cannot manage. The Avigilon cameras are available through REMC, a state-approved purchase that does not require bidding, but the price from People Driven is lower than the REMC pricing.

After the purchase of the cameras and equipment, Facilities and IT will work together to determine how best to have these installed at each of these three sites.
