

Splendora ISD: 6th Grade Naming

1. Committee
2. Reviewed current policy
3. Solicited suggestions from the community
4. Narrowed to choices for Board consideration

Committee: Dr. Conklin, Mrs. Reed, Mrs. Gardner, Mrs. Johnson, Mrs. House, Mr. Briggs, Mr. Kroeger

Splendora ISD: 6th Name Suggestions

Splendora 6th Grade Campus

Justification: Naming the new campus *Splendora 6th Grade Campus* provides clear identification of its purpose, as it exclusively serves 6th-grade students. The name aligns with existing district schools, such as *Splendora Junior High* and *Splendora High School*, ensuring consistency. Additionally, this designation is practical for its temporary role, as the campus will transition in two years when the *Splendora High School 9th Grade Campus* opens. Since staff and students already refer to it by this name, it naturally fits the school community's understanding. There is also little signage to be updated.

Splendora Oaks Intermediate

Justification: Naming the new campus *Splendora Oaks Intermediate* provides a unique identity while clearly indicating its role as a bridge between elementary and junior high, using the well-known term "Intermediate." The name is meaningful to the community, as the campus is surrounded by oak trees, symbolizing strength and growth. This distinct name sets the school apart while maintaining clarity about its purpose.

Coleman or Findeisen 6th Grade Center

Justification: Naming the new campus after a family or individual honors the legacy and impact they made on countless lives. Alba Joyce Coleman (high school secretary) and David Coleman (building superintendent) and Ben Findeisen (high school teacher) are distinguished individuals who played pivotal roles in shaping our district and community.
