CISD Board Agenda Item Synopsis

Subject: Consider Approval of the student meal pricing for the 2022-2023 school year

Background Information:

Due in part to the National School Lunch Program that provided free meal for all students during the 2021-2022 school year, Celina ISD has not raised meal prices for the past two years. With the inflation, we are recommending increasing meal prices and shifting to a three-tiered pricing structure as follows:

| Elementary | Middle School | High School |
|------------------|------------------|------------------|
| Breakfast \$2.20 | Breakfast \$2.25 | Breakfast \$2.50 |
| Lunch \$3.15 | Lunch \$3.30 | Lunch \$3.65 |

Goals:

- 1. We will provide and support a safe, civil and collaborative culture.
- 2. We will continuously provide and support effective teaching in every classroom.
- 3. We will provide and support a guaranteed and viable curriculum.
- 4. We will continue to foster a love of reading and commit to continual growth in childhood literacy.
- 5. We will foster strong numeracy skills and commit to continual growth in math success.
- 6. We will provide targeted strategies and practices to prepare students for post-secondary education, career readiness, and military participation.
- 7. We will attract, recruit, develop, and retain high-quality professional staff.

Budgetary Impact:

Due to the increase costs of food, supplies, and labor, this will enable food services to meet the set budget for 22-23.

Recommendation:

The District recommendation is for the Members of the Board to approve the 2022-2023 meal pricing as recommended.
