Subject: Yearbook Sponsor - Rec to Hire

Dr. Hellrigel,

I would like to recommend Jennie Frank as the high school yearbook club sponsor. Mrs. Frank just completed a year of teaching here at the HS and yearbook was included in her teaching duties. Due to family obligations, she has had to step aside from full-time teaching. However, her and I have discussed a way for her to stay involved in doing something that she really excelled at. This will transition yearbook back to a club that meets outside of classroom hours. Mrs. Frank is willing to make the extra commitment to ensure that we continue to produce a quality yearbook.
