Localized Policy Manual

Update 75

Beeville ISD

Your Localized Update 75 centers on redeveloped policies regarding harassment and sexual harassment, on new state rules regarding the enrichment curriculum, accountability testing, and the Student Success Initiative, as well as on the recently enacted Individuals with Disabilities Education Improvement Act of 2004.

Please bear in mind that the (LEGAL) policies reflect the ever-changing legal context for governance and management of the District. They should NOT be adopted but, rather, should inform local decision making. The (LOCAL) policy recommendations in this update will need close attention by both administration and the Board to ensure that they reflect the practices of the District and the intentions of the Board. Board action is needed to adopt, revise, or repeal (LOCAL) policy.

To better focus Board attention and expedite its review, your Localized Update 75 packet contains:

- ***Vantage Points—A Board Member’s Guide to Update 75***, copies of which may be found in the separately wrapped package accompanying this packet. ***Vantage Points*** offers a highly summarized overview of the update and is intended to provide local officials a first glance at the scope of the update—as a prelude to studying the detailed Explanatory Notes and policy text within the packet. **Please distribute *Vantage Points* to your Board members** at the earliest possible opportunity, preferably with their review copies of this update.
- Your Localized Update, which includes:
 - INSTRUCTIONS . . .** providing specific, policy-by-policy directions on how this update, if accepted as prepared, should be incorporated into your Localized Policy Manuals.
 - EXPLANATORY NOTES . . .** summarizing changes in the policies in each code and how those changes affect your policy manual. Please note that, where appropriate, the Explanatory Notes ask you to **verify that a particular policy continues to reflect your current practice and to advise us of changes needed** so that our records and your manual accurately track the District’s actual practice.

Update 75 materials can be identified by the DATE ISSUED—4/1/2005—located in the lower left corner of each page. If you have any questions concerning this Update, please call your Policy Consultant/Analyst, Kaye Teaff, at 800-580-7529 or 512-467-0222.

Regarding Board action on Update 75 . . .

- Board action on Localized Update 75 must occur within a properly posted, open meeting of the Board and may be addressed on the agenda posting as “Policy Update 75, affecting (LOCAL) policies (see attached list).” Using the Instruction Sheet as a guide, create and attach to the posting a list of the (LOCAL) policy codes **and the titles/subtitles of those policies**. BoardBook compilers should use “Policy Update 75, affecting (LOCAL) policies” as the agenda item and, as agenda subitems, the code and name of each of the (LOCAL) policies affected by the update.
- An appropriate motion for Board action on Localized Update 75 is as follows:

“I move that the Board add, revise, or delete (LOCAL) policies as recommended by TASB Policy Service and according to the Instruction Sheet for TASB Localized Policy Manual Update 75 [with the following changes:]”
- The Board’s action on Localized Update 75 must be reflected in Board minutes. The Instruction Sheet—annotated to reflect any changes made by the Board—and the Explanatory Notes for the update should be filed with the Board minutes where they comprise the authoritative historical record of your District’s manual. Also include in the historical record a copy of the replaced or rescinded (LOCAL) policies.
- **Notify your Policy Consultant/Analyst of any changes made by the Board so that Policy Service records—forming the basis for these and subsequent updating recommendations—exactly mirror your manual.**

Regarding manual maintenance and administrative regulations . . .

- The update should be incorporated into each of the District’s Localized Policy Manuals as soon as practicable. If the District uses *Policy On Line*, please notify us of the Board’s action on Update 75 so this action may be reflected in your District’s Localized Policy Manual as it appears on TASB’s Web server. *Policy On Line* staff may be reached by phone (800–580–7529 or 512–467–0222), fax (512–467–3618; see the pink form enclosed), e-mail (pol-support@tasb.org), or Internet feedback form (<http://www.tasb.org/policy/pol/private/polfdbk.html>).
- Administrative procedures and documents—including formal (REGULATIONS), handbooks, and guides—that may be affected by Update 75 policy changes should be inspected and revised as needed. If the District routinely submits (REGULATIONS) to Policy Service for processing or desires that the updated (REGULATION) be included in the District’s *Policy On Line* manual, please submit these changes to your Policy Consultant/Analyst at your earliest convenience.

PLEASE NOTE: This Localized Update 75 packet and the Update 75 *Vantage Points* may not be considered as legal advice and are not intended as a substitute for the advice of the Board’s own legal counsel.

TASB Localized Policy Manual Update 75

District: Beeville ISD

BBB (LEGAL) BOARD MEMBERS
ELECTIONS

The 78th Legislature's response to the federal Help America Vote Act of 2002 prompts two changes to this policy, both attributable to HB 1549:

- At VOTING MACHINES AND PUNCH-CARD BALLOTS, on page 4, appears the prohibition against the use—after January 1, 2006—of any voting system dependent on “mechanical voting machines or a punch-card ballot or similar form of tabulation card.”
- At VOTERS WITH DISABILITIES, also on page 4, appears the requirement that—by January 1, 2006—at least one voting station at each polling place allow voters with physical disabilities to cast a secret ballot. This station must comport with Section 504 and the Americans with Disabilities Act.

While the Help America Vote Act applied to state and federal elections, the legislature's actions also extend to elections of many local governments, including school districts. Further information about new election requirements and their applicability to school districts may be found in Election Advisory 2005–02 from the office of the Texas Secretary of State at <http://www.sos.state.tx.us/elections/laws/advisory2005–02.shtml>.

BBFA (LEGAL) ETHICS
CONFLICT OF INTEREST

At item 9 on page 6 we have corrected a typographical error: the attorney general's opinion held that the nepotism law applies “whether the *individual* is hired as an *employee* or an independent contractor.” (The words in italics were transposed in error in this policy, last issued at Update 73.)

BDAE (LEGAL) OFFICERS AND OFFICIALS
DUTIES AND REQUIREMENTS OF DEPOSITORY

At COLLATERAL appears a long-standing provision from Chapter 2257 of the Government Code that requires the district to adopt policy addressing collateralization of district funds by a depository.

BDAE (LOCAL) OFFICERS AND OFFICIALS
DUTIES AND REQUIREMENTS OF DEPOSITORY

The enclosed policy, drafted with the assistance of TASB's Financial Services staff and outside advisors, is intended to fulfill the local policy requirement of the Government Code, described above.

BDB (LOCAL) BOARD INTERNAL ORGANIZATION
INTERNAL COMMITTEES

We have deleted from this policy language that may have been construed to require all committees of the board to comply with the Texas Open Meetings Act (TOMA).

Provisions found in BDB(LEGAL) control whether Board committees are subject to TOMA. In general:

- A committee that includes one or more board members and supervises or controls public business must comply with TOMA when it meets to discuss public business or policy.
- A committee that includes less than a quorum of board members is not subject to TOMA if it is purely advisory and does not supervise or control public business or policy.

Explanatory Notes

TASB Localized Policy Manual Update 75

BDD (LOCAL) BOARD INTERNAL ORGANIZATION
ATTORNEY

We recommend for your consideration the enclosed policy describing the relationship between the board and legal counsel. The policy explains how individual trustees and staff members would proceed in requesting legal advice on district issues and how legal advice is shared with the board.

If your district employs in-house counsel, please alter these provisions as appropriate and advise your Policy Consultant/Analyst.

BJCB (LOCAL) SUPERINTENDENT
PROFESSIONAL DEVELOPMENT

The superintendent's continuing education and professional development are more appropriately addressed within the context of the superintendent's annual performance appraisal rather than the generalized fashion in which this policy addresses the topic.

CLA (LEGAL) BUILDINGS, GROUNDS, AND EQUIPMENT MANAGEMENT
SECURITY

Added to this policy is the SAFETY RULES section expressing the authority of the board to adopt rules to protect the safety and welfare of students and employees, to safeguard property, and to otherwise provide for the security of the district. This language—specific to vehicles on campus—is echoed at CLC(LEGAL).

CLB (LOCAL) BUILDINGS, GROUNDS, AND EQUIPMENT MANAGEMENT
MAINTENANCE

We have deleted from this policy items that were redundant of provisions found in CLB(LEGAL) and have added, at NO UNAUTHORIZED APPLICATION, a blanket prohibition against application of a pesticide or herbicide at a school facility without prior approval of the IPM coordinator.

Our thanks to the Southwest Technical Resource Center for IPM in Schools and Child Care Facilities for guidance. The center is a component of Texas A&M's Texas Cooperative Extension Service Centers; further information is available at <http://schoolipm.tamu.edu>.

CNA (LOCAL) TRANSPORTATION MANAGEMENT
STUDENT TRANSPORTATION

In accordance with Education Code 42.155, school districts have long been able to obtain supplemental state funding for transporting regular, otherwise ineligible students who live within two miles of their school but who would be subject to hazardous traffic conditions if they walked to school.

TEA's May 2004 Handbook on School Transportation Allotments (available at <http://www.tea.state.tx.us/school.finance/transportation/hndbk04.pdf>) states that "each district initially requesting a transportation allotment for eligible hazardous-area students shall have its board of trustees officially adopt local policy that provides the definition of hazardous traffic conditions applicable to the district and identifies the specific hazardous areas for which such funding is requested."

Randy Boatman, program administrator of TEA's School Transportation Unit, explains that the district must be as specific as possible in defining the hazardous traffic conditions that students living less than two miles away would be exposed to if walking. While noting that there are a number of ways to address this need, he suggests that the description:

- Be explicit enough that it will be readily understood by parents and others;

Explanatory Notes

TASB Localized Policy Manual Update 75

- Include the grade levels affected;
- Specify the nature of the traffic condition (as defined by Education Code 42.155); and
- Identify the freeway, overpass, etc., that constitutes the hazardous condition. If more appropriate, this criteria might be fulfilled by “bracketing” the area: defining the roads, streets, and highways that bound the area.

The board may fulfill this requirement through a resolution for which adoption is substantiated by board meeting minutes. TEA does not currently require this documentation to be provided annually, but rather when the initial board action is taken and any time thereafter when changes occur. Eligibility for funding is effective from the date of board action.

Please note: With its next update this summer, the *Regulations Resource Manual*, available to policy administrators through MyTASB, will include a sample template for such a resolution. If your district prefers to enact (LOCAL) policy regarding hazardous areas, please advise your Policy Consultant/Analyst.

CS (LEGAL) FACILITY STANDARDS

Citations have been updated to reflect the Railroad Commission’s adoption of rules implementing Natural Resources Code provisions regarding natural gas pipelines.

Also, added at DEFINITIONS is the definition of “educational specifications” from Commissioner’s rules regarding state facility standards applicable to new facilities and major renovations after January 1, 2004.

D (LEGAL) PERSONNEL

We have restructured the D Section to better define and prohibit harassment—including sexual harassment—perpetrated by and against employees. Harassment and sexual harassment policies, currently at DHB and DHC, respectively, have been blended into general policies on harassment and the result recoded to DH and DIA. Consequently, the coding structure has been revised as follows:

- DHB (HARASSMENT) and DHC (SEXUAL HARASSMENT/SEXUAL ABUSE) are no longer active codes.
- The new policy code DIA (FREEDOM FROM HARASSMENT) has been created.

DAA (LEGAL) EMPLOYMENT OBJECTIVES EQUAL EMPLOYMENT OPPORTUNITY

The (LEGAL) policy on equal employment opportunity has been reconstructed for clarity and for harmony, combining like provisions—such as requirements for compliance coordinators and grievance procedures—where appropriate, adding new material where needed, and refining language to more closely track the cited authorities.

New material includes:

- The AGE DISCRIMINATION prohibition, on page 2, regarding a bona fide seniority system or employee benefit plan.
- The SEX DISCRIMINATION/PREGNANCY prohibition.
- The EQUAL PAY provision from the Fair Labor Standards Act.
- A long-standing ADA regulation permitting DRUG TESTING for cause if not otherwise prohibited.

Explanatory Notes

TASB Localized Policy Manual Update 75

- The COMMUNICABLE DISEASES exception, on page 4, from Section 504, ADA, and the Labor Code.

DAA (LOCAL) EMPLOYMENT OBJECTIVES EQUAL EMPLOYMENT OPPORTUNITY

The new first paragraph affirms the superintendent's broad responsibility as the district's chief executive officer to ensure compliance with antidiscrimination laws, including Title IX (prohibiting discrimination on the basis of sex) and ADA/Section 504 (prohibiting discrimination on the basis of disability).

Our records show that the superintendent has been specifically given the responsibility of Title IX coordinator and ADA/Section 504 coordinator for your district. Federal law and regulations require that the person performing these responsibilities be specifically identified (by name, title, address, and phone number) in policy and that this information be disseminated. Since the superintendent performs both of these roles, we have streamlined the presentation of this essential information. If either role—Title IX coordinator or ADA/Section 504 coordinator—has been delegated to an employee other than the superintendent, please advise your Policy Consultant/Analyst.

The section regarding COMPLAINTS has been revised to include a pointer to DIA(LOCAL) where policies governing reports and investigations of allegations of prohibited harassment, including sexual harassment, may be found. Such harassment may constitute unlawful discrimination.

At RECORDS RETENTION, we have added a provision requiring retention for at least three years of reports alleging discrimination or prohibited harassment (including sexual harassment), investigative reports, and related records. Such records are essential in responding to complaints filed with the Office for Civil Rights and in responding to litigation brought by the complainant.

DBA (LEGAL) EMPLOYMENT REQUIREMENTS AND RESTRICTIONS CREDENTIALS AND RECORDS

On page 4 appears the definition of HIGHLY QUALIFIED SPECIAL EDUCATION TEACHERS enacted by the IDEA reauthorization that takes effect on July 1, 2005. In short, a special education teacher who teaches any of the core academic subjects—English, reading, language arts, mathematics, science, foreign language, civics and government, economics, arts, history, or geography—at the elementary level is “highly qualified” if he or she has special education certification in addition to meeting the general requirements for being “highly qualified.”

Additional requirements apply to special education teachers who teach “alternative achievement standards” or who teach two or more core academic subjects exclusively to special education students. These requirements are recited at TEACHING ALTERNATIVE ACHIEVEMENT STANDARDS and at TEACHING TWO OR MORE CORE ACADEMIC SUBJECTS. Regarding the latter, note that new special education teachers must be “highly qualified” in at least one of the following core academic subjects when hired: math, language arts, or science. Such teachers will be granted two years to become “highly qualified” in any other core academic subjects taught.

DC (LEGAL) EMPLOYMENT PRACTICES

The EMPLOYEE INFORMATION section on page 2 has been added from the Immigration Reform and Control Act. The Act requires the employee to file Form I-9 at the time of hire. As indicated in the following section, the district then has a maximum of three business days to verify employment eligibility.

DH (LOCAL) EMPLOYEE STANDARDS OF CONDUCT

Revisions to this policy are as follows:

Explanatory Notes

TASB Localized Policy Manual Update 75

- We have added the HARASSMENT OR ABUSE section to point to the relevant policy codes.
- We have added the RELATIONSHIPS WITH STUDENTS section to echo language previously found in FNCJ(LOCAL). This provision is also found at FFH(LOCAL), enclosed.
- We have moved the VIOLATIONS OF STANDARDS OF CONDUCT section, unaltered, from the end of the policy to a more prominent position on page 1.

DHB (LOCAL) EMPLOYEE STANDARDS OF CONDUCT
HARASSMENT

Your current policy text on harassment has been redeveloped and recoded as appropriate to DH(LOCAL) and DIA(LOCAL). DHB is no longer an active code.

DHC (LEGAL) EMPLOYEE STANDARDS OF CONDUCT
SEXUAL HARASSMENT/SEXUAL ABUSE

With the restructuring of the D Section, DHC (SEXUAL HARASSMENT/SEXUAL ABUSE) is no longer an active code. Please delete this policy in favor of materials now found at DIA(LEGAL) in this update.

DHC (LOCAL) EMPLOYEE STANDARDS OF CONDUCT
SEXUAL HARASSMENT/SEXUAL ABUSE

Please delete this now-inactive code in favor of materials found at DH(LOCAL) and DIA(LOCAL) in this update.

DHC (EXHIBIT) EMPLOYEE STANDARDS OF CONDUCT
SEXUAL HARASSMENT/SEXUAL ABUSE

Subject matter previously in this now-inactive code has been incorporated in DIA(LOCAL) in this update. Please delete this exhibit.

DIA (LEGAL) EMPLOYEE WELFARE
FREEDOM FROM HARASSMENT

With the restructuring of the D Section to better address harassment by and of employees, this (LEGAL) policy has been redeveloped from DHC(LEGAL) to address prohibited harassment, including sexual harassment, of district employees.

DIA (LOCAL) EMPLOYEE WELFARE
FREEDOM FROM HARASSMENT

This (LOCAL) policy reflects the melding and updating of subject matter previously at DHB(LOCAL), DHC(LOCAL), and DHC(EXHIBIT) to address the recourse of an employee who perceives he or she has experienced any form of prohibited harassment. The policy is designed to provide in one place key information that any employee needs to have at hand when contemplating or filing a complaint alleging sexual or other prohibited harassment.

Of note:

- On page 1, EXAMPLES are provided of sexual harassment and other prohibited harassment. These examples, unusual for policy, are included to suggest the range of behaviors that courts in various jurisdictions have identified as prohibited harassment.

Explanatory Notes

TASB Localized Policy Manual Update 75

- The forms of harassment prohibited by this policy are essentially prohibited by federal antidiscrimination laws. For that reason, at DISTRICT OFFICIALS, on page 2, we reference the Title IX coordinator (for sexual and gender-based harassment) and the superintendent (for all other forms of prohibited harassment).
- At INVESTIGATION OF THE REPORT, provisions regarding investigations are more detailed than they were previously.
- APPEAL, on page 3, references DGBA(LOCAL) rather than recreating that process in the context of this policy. The policy states that a complainant may seek appeal via DGBA; of course, DGBA remains the available avenue for any district employee to bring a complaint that is not resolved under this policy.
- At RECORDS RETENTION, on page 4, we have created a cross-reference to DAA(LOCAL), where a records retention statement has been added.

EC (LOCAL) SCHOOL DAY

We recommend deletion of this policy in favor of administrative procedures that would define the process and the considerations that would come into play when operational hours are established for individual schools. The concepts expressed in the policy as well as others (such as coordination of transportation services) should factor into those management considerations.

EHAA (LEGAL) BASIC INSTRUCTIONAL PROGRAM
REQUIRED INSTRUCTION (ALL LEVELS)

This policy has been lightly edited throughout to more closely track the language of the Education Code and State Board of Education rules. A key substantive change is reflected in the second paragraph under PURPOSE: State Board rule 19 TAC 74.1(b), effective on October 3, 2004, newly requires districts to provide TEKS-based instruction in the enrichment curriculum. Previously the requirement applied only to the foundation curriculum.

Also of note are two added provisions applicable to all grade levels but previously found at EHAB(LEGAL), REQUIRED INSTRUCTION (ELEMENTARY):

- On page 1, language permitting the district to provide instruction in flexible, mixed-age settings to foster student attainment of course and grade level standards.
- On page 2, a provision permitting the district to offer local credit courses but not to omit any course in the mandated foundation or enrichment curricula.

EHAB (LEGAL) BASIC INSTRUCTIONAL PROGRAM
REQUIRED INSTRUCTION (ELEMENTARY)

As noted above, two provisions have been recoded to EHAA(LEGAL). The remaining language has been lightly edited to more closely track the Education Code and State Board of Education rules.

EHAC (LEGAL) BASIC INSTRUCTIONAL PROGRAM
REQUIRED INSTRUCTION (SECONDARY)

The introductory paragraph has been added from State Board of Education rules that became effective on October 3, 2004, and that implement SB 815 from the 78th Regular Session. That bill requires a district—as a condition of accreditation—to provide instruction in the Texas Essential Knowledge and Skills (TEKS) at appropriate grade levels in all subjects not only in the foundation curriculum, as before, but also in the enrichment curriculum.

Explanatory Notes

TASB Localized Policy Manual Update 75

As at EHAB(LEGAL), the previous text regarding flexible instructional arrangements has been moved to EHAA(LEGAL) since it applies to all grade levels. And, as at EHAA and EHAB, language throughout the policy has been lightly edited to more closely track the cited authorities.

EHBA (LEGAL) SPECIAL PROGRAMS SPECIAL EDUCATION STUDENTS

On December 3, 2004, President Bush signed into law the Individuals with Disabilities Education Improvement Act of 2004. These changes become effective July 1, 2005, with compliance staged or dependent on state action. Provisions on teacher qualification are addressed at DBA(LEGAL) in this update packet.

The Act will prompt major revisions of EHBA-series (LEGAL) policies now in localized policy manuals and in the State Plan. TASB attorneys are currently reevaluating the scope and detail of these policies and are attempting to isolate provisions of the federal law and the State Plan that district officials may need readily at hand in forming the context for governance decision making. That effort and the possibility of legislative attention to special education prompts us to defer updating the EHBA series at present.

Key provisions of the new federal legislation bear noting in the interim:

- Due process
 - Complainants must now give notice of all issues prior to a hearing or the complainant risks not having the issues addressed during the hearing.
 - Parents must bring complaints to the district's attention and attempt resolution before a due process hearing is conducted. A meeting to attempt resolving the complaint must occur with the complainant within 15 days before a due process hearing.
 - State-funded mediation by a qualified and impartial mediator is permitted.
 - Due process decisions are now to be based on provisions of FAPE (Free and Appropriate Public Education), not procedure.
 - A two-year statute of limitations is imposed for complaints.
- Individualized education programs (IEPs) and paperwork reduction
 - Fifteen (as yet unnamed) states will pilot a demonstration program identifying ways to reduce paperwork and other administrative duties (including the option to develop multi-year IEPs up to three years).
 - Any IEP team member may be excused from attending a team meeting if agreed upon by both the parent and a district official.
 - Changes to an IEP after the annual IEP meeting may be made without reconvening the team provided the parent and district official agree and develop a written document to amend or modify the IEP.
- Student discipline
 - A district may now, on a case-by-case basis, determine if the student should be removed from class for misconduct and placed in an alternative setting, pending the manifestation determination.
 - During an appeal, a student may remain in the alternative placement pending an expedited hearing. The burden of proof no longer rests solely with the district.

The National School Boards Association and other members of the education community have been active in supporting these changes in law. For further information about the Act, see NSBA's *Quick Reference Guide for Local School Board Members* at <http://www.nsba.org/site/docs/34900/34889.pdf>.

EIE (LEGAL) ACADEMIC ACHIEVEMENT RETENTION AND PROMOTION

New Commissioner's rules effective February 24, 2005, regarding the Student Success Initiative have been incorporated throughout this policy. Key changes include the following:

- At ELIGIBLE STUDENTS are new Commissioner's rules identifying which students are subject to the grade advancement requirements, including automatic retention.
- At TEST SCHEDULE, on page 2, is the new Commissioner's rule requiring a district to allow an out-of-district student to participate in the third administration of a grade advancement test IF the district is testing one or more district students and the out-of-district student has registered to take the test by a TEA-determined date.
- At ACCELERATED INSTRUCTION is the new rule, reflected on page 4, requiring a district to allow an out-of-district student to participate in an on-campus summer accelerated program established by the district IF the student is living away from his or her home district and the program is consistent with the student's plan prescribed by the student's grade placement committee.
- At RETENTION AND APPEAL, on page 7, appears the newly restated and somewhat expanded list of standards upon which the grade placement committee may base its final decision. New material includes performance on a state-mandated assessment (at item 1); extenuating circumstances limiting the student's participation in instruction, required assessments, or accelerated instruction (at item 3); and consideration of whether a student was not enrolled in a Texas public school for part of the school year (at item 4).

EIE (LOCAL) ACADEMIC ACHIEVEMENT RETENTION AND PROMOTION

At STANDARDS FOR PROMOTION UPON APPEAL, we have added a new criterion at item 4—enrollment in a Texas public school for part of the school year—to be used by a grade placement committee in deciding to promote or retain a student who has not met the passing standard on the required test after the third testing opportunity.

We have also added at item 1 "previous state assessments" as a performance measure and have rephrased item 3 for clarity.

EIF (LEGAL) ACADEMIC ACHIEVEMENT GRADUATION

The State Board of Education's approval of the Texas Assessment of Knowledge and Skills (TAKS), in accordance with SB 103 enacted by the 76th Legislature in 1999, and subsequent Commissioner's rules addressing the transition from the end-of-course exams and the Texas Assessment of Academic Skills (TAAS) to TAKS replace now-obsolete provisions on pages 1 and 2 of this policy.

Of note, a student—at any grade—on an accelerated track who fulfilled all graduation requirements other than passing the exit-level assessment before September 1, 2004, will take the exit-level TAAS instead of the exit-level TAKS.

The new rules became effective February 17, 2005.

EKB (LEGAL) TESTING PROGRAMS STATE ASSESSMENT PROGRAM

New Commissioner's rules regarding assessments for Limited English Proficiency (LEP) students, effective February 17, 2005, have been incorporated at:

Explanatory Notes

TASB Localized Policy Manual Update 75

- LEP STUDENTS IN SPECIAL EDUCATION, beginning on page 4. The new rule changes the permissive exemption from the reading proficiency test in English to exemption from the English language proficiency assessments. In granting the exemption, the ARD committee will determine if these assessments “cannot provide a meaningful measure of the student’s annual growth in English language [previously “reading”] proficiency for reasons associated with the student’s disability.”
- ENGLISH LANGUAGE PROFICIENCY TESTS, on page 6. The rules extend the assessment requirement, previously for grades 3 through 12, down to kindergarten. This is consistent with the NCLBA requirement that LEP students be assessed for English language proficiency in additional domains—listening, speaking, and writing—and in kindergarten through grade 12.
- IMMIGRANT STUDENTS, beginning on page 7. The rules clarify exemptions for immigrant LEP students and exemption eligibility. New language has been added to require that the test administration documents delineate the circumstances under which a TAKS-exempt student will be assessed through alternative means in subjects and grades required by federal law or regulations. Exempt students who are assessed solely for federal accountability purposes will not be subject to grade advancement requirements under the Student Success Initiative.

F (LEGAL) STUDENTS

As in the D Section, we have restructured the F Section to better define and prohibit harassment—including sexual harassment—perpetrated by and against students. Sexual harassment and harassment policies, currently at FNCJ and FNCL, respectively, have been blended into general policies on harassment and the result recoded to FFH and FNC. Consequently, the coding structure has been revised as follows:

- The new policy code FFH (FREEDOM FROM HARASSMENT) has been created.
- FNCJ (SEXUAL HARASSMENT/SEXUAL ABUSE) and FNCL (HARASSMENT) are no longer active codes.

FB (LEGAL) EQUAL EDUCATIONAL OPPORTUNITY

This policy has been reorganized to more clearly present federal and state nondiscrimination statutes. Added are key provisions from Title IX, beginning on page 4, prohibiting sexual discrimination in public education.

FB (LOCAL) EQUAL EDUCATIONAL OPPORTUNITY

The new first paragraph affirms the superintendent’s broad responsibility as the district’s chief executive officer to ensure compliance with antidiscrimination laws, including Title IX (prohibiting discrimination on the basis of sex) and Section 504 (prohibiting discrimination on the basis of disability).

Our records show that the superintendent has been specifically given the responsibility of Title IX coordinator and Section 504 coordinator. Federal law and regulations require that the person performing these responsibilities be specifically identified (by name, title, address, and phone number) in policy and that this information be disseminated. Since the superintendent performs both of these roles, we have streamlined the presentation of this essential information. If either role—Title IX coordinator or Section 504 coordinator—has been delegated to an employee other than the superintendent, please advise your Policy Consultant/Analyst.

The section regarding COMPLAINTS has been revised to include a pointer to FFH(LOCAL) where policies governing reports and investigations of allegations of prohibited harassment, including sexual harassment, may be found. Such harassment may constitute unlawful discrimination.

Explanatory Notes

TASB Localized Policy Manual Update 75

At RECORDS RETENTION, we have added a provision on retention of reports alleging discrimination or prohibited harassment (including sexual harassment), investigative reports, and related records. Federal law specifically requires retention of such records; the district will find these records essential in responding to complaints filed with the Office for Civil Rights and in responding to litigation brought by the complainant.

At PARENTAL CONSENT, we have added the parental consent requirement affirmed in OCR letter rulings. Please note that the section on “no pass, no play” exemptions, previously on page 2, has been deleted because Section 504 students must meet the regular academic standards in order to be eligible for extracurricular activities.

FFD (LOCAL) STUDENT WELFARE
STUDENT INSURANCE

Our experience finds that policy language at this code is rarely in sync with district practice. Because the provision of a voluntary student accident insurance program would be approved by the board for a fixed period of time and the offering would be described to parents by means of student handbooks and enrollment activities, we recommend deletion of this policy.

FFE (LEGAL) STUDENT WELFARE
STUDENT ASSISTANCE PROGRAMS/COUNSELING

This policy has been extensively revised for clarity and to more closely track the language of the Education Code and Family Code.

FFF (LOCAL) STUDENT WELFARE
STUDENT SAFETY

We have added to the identified components of school safety initiatives three items:

- Item 3 addressing age-appropriate safety-oriented activities at each grade level,
- Item 6 specifying annual review of the campus emergency procedures and providing updated staff training, and
- Item 7 speaking to crisis management planning.

FFG (LEGAL) STUDENT WELFARE
CHILD ABUSE AND NEGLECT

Redeveloped to more closely correlate provisions of the Education Code with the Family Code, this policy has been extensively revised. Additional statutory material incorporated into the policy is as follows:

- The Family Code definition of a “professional”—required to report his or her belief that a child has been or may be abused or neglected—has been added on page 1.
- An additional agency to which the report may be made (an agency designated by the court) has been identified at item 4 at TO WHOM REPORTED on page 2.
- The criminal consequences for making a FALSE REPORT have been added.
- Family Code restrictions under which the investigating agency operates in regard to the district are added at CONFIDENTIALITY and INVESTIGATIONS on page 3.

Please note: The FFG(EXHIBIT) in your localized policy manual has been designed to fulfill the policy requirement and to provide a vehicle for notifying district employees of their obligations for reporting perceived

or anticipated child abuse or neglect. We encourage annual review of this document and incorporation of the content into the district's employee handbook. Please note also, as indicated at ANNUAL DISTRIBUTION AND STAFF DEVELOPMENT on page 4, this information must be periodically incorporated in staff development programs as well.

FFH (LEGAL) STUDENT WELFARE
FREEDOM FROM HARASSMENT

With the restructuring of the F Section to better address harassment by or of students, this (LEGAL) policy has been redeveloped to address the recourse of a student who perceives he or she has experienced any form of prohibited harassment.

FFH (LOCAL) STUDENT WELFARE
FREEDOM FROM HARASSMENT

This (LOCAL) policy blends material previously at FNCJ(LOCAL), FNCJ(EXHIBIT), and FNCL(LOCAL) to address the recourse of a student who perceives he or she has experienced any form of prohibited harassment. The policy is designed to provide in one place key information that any student needs to have at hand when contemplating or filing a complaint alleging prohibited harassment, including sexual harassment or abuse.

Of note:

- On page 2, EXAMPLES are provided of sexual harassment—by employees and by others—and of other prohibited harassment. As at DIA(LOCAL) in this update, the examples, unusual for policy, are included to suggest the range of behaviors that courts in various jurisdictions have identified as prohibited harassment, including sexual harassment or abuse.
- The forms of harassment prohibited by this policy are essentially prohibited by federal antidiscrimination laws. For that reason, at DISTRICT OFFICIALS, on page 3, we reference the Title IX coordinator (for sexual and gender-based harassment) and the superintendent (for all other forms of prohibited harassment).
- At INVESTIGATION OF THE REPORT, provisions regarding investigations are more detailed than they were previously.
- APPEAL, on page 4, references FNG(LOCAL) rather than recreating that process in the context of this policy. The policy states that a complainant may seek appeal via FNG; of course, FNG remains the available avenue for any student or parent to bring a complaint that is not resolved under this policy.
- At RECORDS RETENTION, we have created a cross-reference to FB(LOCAL), where a records retention statement has been added.

FNC (LOCAL) STUDENT RIGHTS AND RESPONSIBILITIES
STUDENT CONDUCT

We have added the PROHIBITED HARASSMENT section to point to the relevant policy codes and adjusted the BEHAVIORAL STANDARDS listing appropriately.

FNCE (LOCAL) STUDENT CONDUCT
TELECOMMUNICATIONS DEVICES

New forms of personal communications devices, their increasing use by students, and our experience suggest that district practice may no longer be in harmony with this policy.

Explanatory Notes

TASB Localized Policy Manual Update 75

For this reason, and because prohibitions may be found in the Student Code of Conduct, we are recommending deletion of this language. If your district does indeed permanently confiscate telecommunications devices—as specified by Education Code 37.082 and recited at FNCE(LEGAL)—please contact your Policy Consultant/Analyst for updated language.

FNCJ (LEGAL) STUDENT CONDUCT
SEXUAL HARASSMENT/SEXUAL ABUSE

With the restructuring of the F Section to better address harassment by and of students, this (LEGAL) policy has been redeveloped and the provisions previously at this code are now found at FFH(LEGAL).

FNCJ (LOCAL) STUDENT CONDUCT
SEXUAL HARASSMENT/SEXUAL ABUSE

Material previously found in this policy has been reworked into FFH(LOCAL) and FNC(LOCAL) in this update.

FNCJ (EXHIBIT) STUDENT CONDUCT
SEXUAL HARASSMENT/SEXUAL ABUSE

Material previously found in this exhibit has been incorporated into FFH(LOCAL) and FNC(LOCAL) in this update.

FNCL (LOCAL) STUDENT CONDUCT
HARASSMENT

Please delete this policy in favor of materials now found at FFH(LOCAL) and FNC(LOCAL) in this update.

FND (LEGAL) STUDENT RIGHTS AND RESPONSIBILITIES
MARRIED STUDENTS

Added is a provision, from Title IX regulations, disallowing discriminatory treatment of students in regard to marital status and, from the Family Code, granting majority status to married minors.

FNE (LEGAL) STUDENT RIGHTS AND RESPONSIBILITIES
PREGNANT STUDENTS

Added from Title IX law and regulations are the SEPARATE PROGRAM and LEAVE OF ABSENCE sections.

FOF (LEGAL) STUDENT DISCIPLINE
STUDENTS WITH DISABILITIES

As noted in the explanatory note at EHBA(LEGAL), above, the Individuals with Disabilities Education Improvement Act of 2004 signed into law in December provides districts greater latitude in disciplining disabled students when the conduct was not a manifestation of the student's disability. The Act becomes effective on July 1, 2005; in the meantime the U.S. Department of Education will be developing regulations to implement its provisions.

Although the 75-day public comment period expired on February 25, the DOE will hold informal public meetings—dates not yet announced—at seven locations across the U.S. to gather input leading to the development of new regulations to implement the Act. Locations selected are Newark, Delaware; Atlanta, Georgia; Boston, Massachusetts; Columbus, Ohio; San Diego, California; Laramie, Wyoming; and Washington, DC.

Explanatory Notes

TASB Localized Policy Manual Update 75

The time line for development and initial publication of regulations has not been established. TASB will watch this process carefully and alert members as information comes forth. Until the regulations and conforming state rules are enacted and provisions regarding student discipline analyzed, we are reluctant to reissue FOF(LEGAL) and advise districts to proceed cautiously and in consultation with the district's special education counsel.

For further information on the Act, see NSBA's *Quick Reference Guide for Local School Board Members* at <http://www.nsba.org/site/docs/34900/34889.pdf>. The full text of the Act may be found at <http://thomas.loc.gov/cgi-bin/query/z?c108:h.1350.enr.>

G (LEGAL) COMMUNITY

In an effort to make the very lengthy GBA(LEGAL) more user-friendly and intelligible, we have divided that policy into two separate policies:

- GBA, addressing only what is public information and what information is not subject to disclosure, and
- GBAA, a new policy code, addressing how information requests are to be handled.

The G Section table of contents has been revised to reflect this change.

GBA (LEGAL) PUBLIC INFORMATION PROGRAM ACCESS TO PUBLIC INFORMATION

The extraordinary length of GBA(LEGAL) has been significantly scaled back with the deletion of provisions relating to information requests. This deleted material now appears in GBAA, a new code specifically reserved for that content.

GBA (LOCAL) PUBLIC INFORMATION PROGRAM ACCESS TO PUBLIC INFORMATION

Since your (LOCAL) policy at this code pertains to requests for information, we have recoded it to GBAA, consistent with the splitting of GBA into GBA and GBAA described above. Please delete GBA(LOCAL).

GBA (EXHIBIT) PUBLIC INFORMATION PROGRAM ACCESS TO PUBLIC INFORMATION

The (EXHIBIT) at this code pertains to the cost of copies of records and, with the splitting of GBA into GBA and GBAA described previously, is more appropriately coded to GBAA(EXHIBIT).

GBAA (LEGAL) INFORMATION ACCESS REQUESTS FOR INFORMATION

As indicated above, this new code has been created to address information requests under the public information provisions of the Government Code and information-access provisions of the Education Code.

On page 13 at PARENT'S REQUEST FOR INFORMATION provisions from the 72nd Legislature have been added allowing a district 30 days to file a legal challenge to a determination by the attorney general that the requested material cannot be withheld. If the district does not file suit within this period, the district is required to comply with the attorney general's decision. If the district does file suit, it may not appeal the unfavorable decision of the court.

GBAA (LOCAL) INFORMATION ACCESS REQUESTS FOR INFORMATION

The policy text previously at GBA has been edited to delete procedural provisions more appropriate to administrative regulations. The new focus of this policy is access to documents upon the superintendent's approval

Explanatory Notes

and a copying limit based on available personnel and machines. If these provisions are not consistent with district practice, please contact your Policy Consultant/Analyst.

GBAA (EXHIBIT) INFORMATION ACCESS
REQUESTS FOR INFORMATION

This (EXHIBIT) has been recoded from GBA, as described previously. If the fees schedule identified is inconsistent with district practice, please contact your Policy Consultant/Analyst.

Note: The District shall conduct its Trustee elections in accordance with the Agreed Settlement in CA. No. C-82-130, United States District Court, Southern District of Texas, Corpus Christi Division, and this policy.

To the extent of any conflict, the court order shall prevail over the following statutory provisions.

NUMBER, METHOD
OF ELECTION AND
TERM

The Board consists of seven Trustees, one elected at large and six elected from single-member districts, serving terms of three years, with elections held annually. The terms of one-third of the Trustees, or as near to one-third as possible, expire each year. *Education Code 11.051(b), 11.052, 11.059*

Board policy shall state the schedule on which specific terms expire. *Education Code 11.059*

RESIDENCY

A candidate for Trustee representing the District at large must be a resident of the District. Residents of each Trustee district are entitled to elect one Trustee to the Board. A candidate for Trustee representing a single-member Trustee district must be a resident of the district the candidate seeks to represent. A Trustee elected to represent a Trustee district at the first election of Trustees shall be a resident of the district the Trustee represents not later than the 90th day after the day election returns are canvassed or the 60th day after the day of a final judgment in an election contest filed concerning that Trustee district. A Trustee vacates the office if he or she fails to move into the district the Trustee represents within the time provided or ceases to reside in the district the Trustee represents. A person appointed to fill a vacancy in a Trustee district must be a resident of that Trustee district. [See also BBA, BBC]

NUMBER AND
TERM

At the first election at which some or all of the Trustees are elected in a manner authorized by Education Code 11.052 and after each redistricting, all positions on the Board shall be filled. The Trustees then elected shall draw lots for staggered terms as provided by Education Code 11.059.

REDISTRICTING

Not later than the 90th day before the day of the first regular Board election at which Trustees may officially recognize and act on the last preceding federal census, the Board shall redivide the District into the appropriate number of Trustee districts if the census data indicates that the population of the most populous district exceeds the population of the least populous district by more than ten percent. Redivision of the District shall be based on the number of members that are to be elected from single-member Trustee dis-

tricts, and each Trustee district shall be numbered. The Trustee districts shall be compact and contiguous and shall be as nearly as practicable of equal population according to the last preceding federal census.

Education Code 11.052

PHASE-IN
OPTION

The board of a district that adopts a redistricting plan under Education Code 11.052 may provide for the Trustees in office when the plan is adopted or the District is redistricted to serve for the remainder of their terms in accordance with this provision. The Trustee district and any at-large positions provided by the District's plan shall be filled as the staggered terms of Trustees then in office expire. Not later than the 90th day before the date of the first election from Trustee districts and after each redistricting, the Board shall determine the order in which the positions will be filled.

[See DBE(EXHIBIT)] However, this prohibition does not apply to a candidate's actions taken with respect to a bona fide class or category of employees or prospective employees. *Gov't Code 573.042*

HARASSMENT OF
EMPLOYEES

The District has an affirmative duty, under Title VII, to maintain a working environment free of harassment on the basis of sex, race, color, religion, and national origin. *42 U.S.C. 2000e, et seq.; 29 CFR 1606.8(a), 1604.11*

DEFINITION

Title VII does not prohibit all verbal and physical harassment in the workplace. For example, harassment between men and women is not automatically unlawful sexual harassment merely because the words used have sexual content or connotations. *Oncale v. The District should take all steps necessary to prevent sexual harassment from occurring, such as affirmatively raising the subject, expressing strong disapproval, developing appropriate penalties, informing employees of their right to raise and how to raise the issue of harassment under Title VII, and developing methods to sensitize all concerned. 29 CFR 1604.11(f)

CORRECTIVE
ACTION

The District is responsible for acts of unlawful harassment by fellow employees and by nonemployees if the District, its agents, or its supervisory employees knew or should have known of the conduct, unless the District takes immediate and appropriate corrective action. 29 CFR 1604.11(d), (e), 1606.8(d), (e)

When no tangible employment action is taken, the District may raise the following affirmative defense:

1. That the District exercised reasonable care to prevent and promptly correct any harassing behavior; and
2. That the employee unreasonably failed to take advantage of any preventive or corrective opportunities provided by the employer or to avoid harm otherwise.

The District prohibits sexual harassment and harassment based on a person's race, color, gender, national origin, disability, religion, or age.

Employees shall not tolerate harassment of others and shall make reports as required at REPORTING PROCEDURES, below.

SEXUAL
HARASSMENT

Sexual harassment of an employee is defined as unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. Submission to the conduct is either explicitly or implicitly a condition of an employee's employment, or when submission to or rejection of the conduct is the basis for an employment action affecting the employee; or
2. The conduct is so severe, persistent, or pervasive that it has the purpose or effect of unreasonably interfering with the employee's work performance or creates an intimidating, threatening, hostile, or offensive work environment.

EXAMPLES

Examples of sexual harassment may include, but are not limited to, sexual advances; touching intimate body parts; coercing or forcing a sexual act on another; jokes or conversations of a sexual nature; and other sexually motivated conduct, communication, or contact.

REPORTING
PROCEDURES

An employee who believes that he or she has experienced prohibited harassment should immediately report the alleged acts to an appropriate person designated below.

Any District employee with supervisory authority who receives notice that another employee has or may have experienced prohibited harassment is required to immediately report the alleged acts and take whatever other steps are required by this policy.

Any other person who knows or believes that a District employee has experienced harassment should immediately report the alleged acts to the appropriate person designated by this policy.

TIMELY
REPORTING

Reports of harassment shall be made as soon as possible after the alleged acts. A failure to promptly report alleged harassment may impair the District's ability to investigate and address the harassment.

A District employee may report harassment to his or her supervisor or campus principal. A person shall not be required to report harassment to the alleged harasser; nothing in this policy prevents a person from reporting harassment directly to one of the District officials below:

DISTRICT
OFFICIALS

1. For sexual harassment, the Title IX coordinator. [See DAA(LOCAL)]
2. For all other prohibited harassment, the Superintendent.

A report against the Title IX coordinator may be made directly to the Superintendent; a report against the Superintendent may be made directly to the Board.

NOTIFICATION OF
REPORT

Upon receipt of a report of harassment, a supervisor or principal shall immediately notify the appropriate District official listed above.

CONFIDENTIALITY

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

If appropriate, the District shall promptly take interim action to prevent harassment during the course of an investigation.

The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney. When appropriate, the campus principal or supervisor shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

The District's obligation to conduct an investigation is not satisfied by the fact that a criminal or regulatory investigation regarding the same or similar allegations is pending.

CONCLUDING THE
INVESTIGATION

Absent extenuating circumstances, the investigation should be completed within ten business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the District official overseeing the investigation.

DISTRICT ACTION

If the results of an investigation indicate that prohibited harassment occurred, the District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the harassment.

The District may take disciplinary action based on the results of an investigation, even if the District concludes that the conduct did not rise to the level of harassment prohibited by law or District policy.

APPEAL

A complainant who is dissatisfied with the outcome of the investigation may appeal through DGBA(LOCAL), beginning at the appropriate level.

A student who does not demonstrate proficiency may advance to the next grade only if the student's grade placement committee (GPC) determines by unanimous decision, in accordance with the standards for promotion established by the Board, that the student is likely to perform at grade level at the end of the next year given additional accelerated instruction.

GRADE
ADVANCEMENT
TESTING

The District shall test eligible students in accordance with the grade advancement requirements set forth below.

ELIGIBLE
STUDENTS

An eligible student is subject to all grade advancement requirements, including the automatic retention component, if the following two criteria are met:

1. The student is enrolled in a District or charter school on any day between January 1 and April 15 of the school year during which the grade advancement test is administered; and
2. The student is eligible for enrollment in a Texas public school (as defined by legal residence in the state) during the week of the first general grade advancement test administration as established in the assessment calendar by the Commissioner.

An eligible student who does not meet the criteria specified above but enrolls in the District at any time after the week of the first gen-

eral grade advancement test administration is subject to all grade advancement requirements except for automatic retention and shall not be automatically retained if the student does not demonstrate proficiency on any of the grade advancement tests.

The District must provide the student with the other required services in the overall system of support for student academic achievement, including the opportunity to test, access to accelerated instruction, and the formation of a GPC.

ASSESSMENT

A student may not be promoted to:

1. The fourth grade program to which the student would otherwise be assigned if the student does not perform satisfactorily on the third grade reading assessment instrument;
2. The sixth grade program to which the student would otherwise be assigned if the student does not perform satisfactorily on the fifth grade mathematics and reading assessment instruments; or
3. The ninth grade program to which the student would otherwise be assigned if the student does not perform satisfactorily on the eighth grade mathematics and reading assessment instruments. This applies to the assessment instrument administered to students in eighth grade beginning with the 2007–08 school year.

TEST SCHEDULE

TEA shall provide three opportunities per year for the tests required for grade advancement. The Superintendent shall establish procedures to ensure that:

1. Each eligible student who is absent or does not receive a test score for any test administration shall receive appropriate accelerated instruction as warranted on an individual basis; and
2. Each eligible student who is absent or does not receive a test score for all three test opportunities and is consequently retained shall receive other appropriate means of evaluation, including an alternate assessment, so that the GPC has sufficient evidence for its review upon appeal by a parent or guardian.

19 TAC 101.2005(c)

The District must accommodate the request of an out-of-District student to participate in the third administration of a test required

for grade advancement if the District is testing one or more local students on the applicable test and if the out-of-District student has registered to take the test by a date determined by TEA. *19 TAC 101.2005(d)*

An accelerated instruction group for students who have failed an assessment may not have a ratio of more than ten students for each teacher per class.

Accelerated instruction required after the first and second testing opportunities should be designed to address student needs to the greatest extent possible before the next testing opportunity.

Accelerated instruction shall be based on the following:

1. Assessment of specific student needs, which may include, as appropriate, the following: teacher observations and evaluations; academic progress reports; previous identification of student needs and corresponding interventions; and performance on previous assessment instruments in the applicable subject.
2. Best instructional practices identified through research.

The educational plan shall be designed to enable the student to perform at the appropriate grade level by the conclusion of the school year. During the school year, the student shall be monitored to ensure the student is progressing in accordance with the plan. The District shall administer to the student the assessment instrument for the grade level in which the student is placed at the time the District regularly administers the assessment instrument for that school year. *Education Code 28.0211(f)*

TESTING
OPPORTUNITY

NOTICE

The District shall notify the parent or guardian of a student who has failed to demonstrate proficiency on the first administration of a grade advancement test. This notification should be made within five working days of the District's receipt of student test results from this administration. This notice shall include the student's test results, a description of the District's grade advancement policy, the accelerated instruction to which the student has been assigned, and the possibility that the student might be retained at the same grade level for the next school year. In addition, the notice shall encourage parents or guardians to meet immediately with the student's teacher to outline mutual responsibilities to support the student during accelerated instruction. *19 TAC 101.2009(c)*

AFTER SECOND
TESTING
OPPORTUNITY

NOTICE

Within five working days of the District's receipt of student test results for the second administration of the test required for grade advancement, the District shall notify the campus principal of results for each student who fails to demonstrate proficiency. Upon receipt of this notice, the principal shall notify the teacher and parent or guardian of the test results. This notice shall include a description of the purpose and responsibilities of a GPC and the time and place for the first meeting of the GPC. *19 TAC 101.2007(c)*

GRADE
PLACEMENT
COMMITTEE

After a student fails to perform satisfactorily on an assessment instrument a second time, a GPC shall be established to prescribe the accelerated instruction the student is to receive before the assessment instrument is administered the third time.

Decisions by the GPC shall be made on an individual student basis to ensure the most effective way to support the student's academic achievement on grade level.

The GPC shall be composed of the principal or the principal's designee, the student's parent or guardian, and the student's teacher of the subject of the grade advancement test on which the student failed to perform satisfactorily. If this teacher is unavailable, the principal shall designate to serve on the committee a teacher certified in the subject of the assessment on which the student failed to perform satisfactorily and who is most familiar with the student's performance in that subject area.

If more than one parent or guardian has the authority to make educational decisions regarding the student, a good faith effort must be made to notify both parents, but participation of any one parent or guardian is sufficient. Either parent or only one guardian may initiate an appeal. If both parents or guardians serve on the GPC but do not agree, either may agree to promote the student (if the remaining members of the GPC also agree to the promotion). The

District may accept a parent's or guardian's written designation of another person to serve on the GPC for all purposes. The District may accept a parent's or guardian's written and signed waiver of participation in the GPC and designation of the remaining members of the GPC as the decision-making entity for all purposes.

If a parent or guardian or designee is unable to attend a meeting, the District may use other methods to ensure parent participation, including individual or conference telephone calls. The District may designate another person to act on behalf of the student in place of a parent, guardian, or designee if no such person can be located. A surrogate parent named to act on behalf of a student with a disability shall be considered a parent for this purpose. If the parent or guardian is unavailable, the remaining members of the GPC must convene as required by law and take any actions required.

Education Code 28.0211(c); 19 TAC 101.2007(a), (b)

ALTERNATE
ASSESSMENT

For the third testing opportunity, the Board may choose to use a state-approved alternate assessment instead of the statewide assessment instrument. If the Board adopts such a policy, the District shall select from a list provided annually by the Commissioner only one test for each applicable grade and subject. The alternate assessment must be given during the period established by the Commissioner in the assessment calendar to coincide with the date of the third administration of the statewide assessment.
19 TAC 101.2011(a)–(b)

PARENTAL
WAIVER

The Superintendent shall establish a waiver process by which a parent or guardian may request that a student not participate in the third test opportunity due to potential harm to the student. The waiver must provide documentation of potential harm, student need, and other appropriate information. If a parental waiver is granted, the student must still participate in all required accelerated instruction and is subject to retention based on the failure on the second test administration. *19 TAC 101.2015*

AFTER THIRD
TESTING
OPPORTUNITY

NOTICE

The GPC must convene again if a student fails to demonstrate proficiency on the third administration of a test required for grade advancement and is thereby automatically retained at the same grade level. Within five working days of receipt of student test results for this administration, the District shall notify the campus principal of results for each student who fails to demonstrate proficiency. Upon receipt of this notice, the principal shall notify the teacher and parent or guardian of the time and place for the GPC to hold a meeting. This notice shall inform the parent or guardian of the opportunity to appeal the automatic retention of the student. The District shall establish a procedure to ensure a good faith effort

A student who fails to perform satisfactorily after at least three attempts on one of the grade advancement tests shall be retained at the same grade level for the next school year. The parent or guardian may appeal the retention by submitting a request to the GPC within five working days of receipt of the retention notification. *Education Code 28.0211(e); 19 TAC 101.2007(e)*

The GPC may not agree to promote a student unless a parent, guardian, or designee has appealed. *19 TAC 101.2007(b)(2)*

If an appeal is initiated by the parent or guardian, the GPC may decide in favor of promotion only if the GPC concludes, upon review of all facts and circumstances, and in accordance with standards adopted by the Board, that the student is likely to perform on grade level given additional accelerated instruction during the next school year. A student may be promoted only if the decision of the GPC is unanimous.

The review and decision of the GPC must be appropriately documented as meeting the standards adopted by the Board. These standards may include the following:

1. Evidence of satisfactory student performance, including grades, portfolios, work samples, local assessments, previous state assessments, and individual reading and mathematics diagnostic tests or inventories;
2. Improvement in student test performance over the three testing opportunities;
3. Extenuating circumstances that may have adversely affected the student's participation in instruction, the student's participation in the required assessments, or the student's participation in accelerated instruction; and
4. Consideration of whether the student was not enrolled in a Texas public school for part of the school year.

19 TAC 101.2007(f)

The placement decision by the GPC shall be made before the start of the next school year, or if applicable, upon re-enrollment of the student after this date. *19 TAC 101.2007(g)*

The committee's decision regarding placement is final and may not be appealed. *Education Code 28.0211(e)*

matter of the course or grade level) shall be promoted to the next grade level at the beginning of the next school year. However, if the student's parent presents a written request to the school principal asking that the student not be promoted, the principal shall hold a formal meeting with the parent, the teacher, and the counselor, as soon as practicable after receiving such a request. During the meeting, the principal, teacher, or counselor shall explain the possible effects of not promoting a student. If the parent withdraws the request after the meeting, the student shall be promoted, and the District shall continue to use innovative practices to ensure that the student is successful in school in succeeding school years.

For purposes of this policy and decisions related to the student success initiative, a student's "parent" shall be defined to include either of the student's parents or guardians; a person designated by the parent, by means of a Power of Attorney, to have responsibility for the student in all school-related matters (see FD); a surrogate parent acting on behalf of a student with a disability; a person designated by the parent or guardian to serve on the grade placement committee (GPC) for all purposes; or in the event that a parent, guardian, or designee cannot be located, a person designated by the Superintendent or designee to act on behalf of the student. [See EIE(LEGAL)]

ALTERNATE
ASSESSMENT
INSTRUMENT

The District shall use only the statewide assessment instrument for the third testing opportunity.

STANDARDS FOR
PROMOTION UPON
APPEAL

If a parent initiates an appeal of his or her child's retention following the student's failure to demonstrate proficiency after the third testing opportunity, the GPC shall review all facts and circumstances in accordance with law and shall apply the following standards in deciding to promote or retain the student:

1. Evidence of satisfactory student performance, including grades, portfolios, work samples, local assessments, previous state assessments, or individual reading or mathematics diagnostic tests or inventories, as appropriate;
2. Improvement in student test performance over the three testing opportunities;
3. Extenuating circumstances that may have adversely affected the student's participation in instruction, required assessments, or accelerated instruction; and
4. Consideration of whether a student was not enrolled in a Texas public school for part of the school year.

If all members of the GPC agree that the student is likely to perform on grade level if given additional accelerated instruction during the following school year, the student shall be promoted.

Whether the GPC decides to promote or to retain a student in this manner, the committee shall determine an accelerated instruction plan for the student for the following school year, providing for interim reports to the student's parent and opportunities for the parent to consult with the teacher or principal as needed. The princi-

pal or designee shall monitor the student's progress during the following school year to ensure that he or she is progressing in accordance with the plan.

TRANSFER
STUDENTS

When a student transfers into the District having failed to demonstrate proficiency on applicable assessment instruments after two testing opportunities, a GPC shall convene for that student. The GPC shall review any available records of decisions regarding testing and accelerated instruction from the previous district and determine an accelerated instruction plan for the student.

If a parent initiates an appeal for promotion when a student transfers into the District having failed to demonstrate proficiency after three testing opportunities, the GPC shall review any available records of decisions regarding testing, accelerated instruction, retention, or promotion from the previous district and issue a decision in accordance with the District's standards for promotion.

ASSIGNMENT OF
RETAINED STUDENTS

Students not promoted to the next grade level shall be assigned to the same or a similar campus setting.

REDUCING STUDENT

The District shall establish procedures designed to reduce retaining students at a grade level, with the ultimate goal being elimination of the practice of retaining students. [See EHBC]

EXEMPTIONS

A student may be exempted from the administration of the state assessment of academic skills:

1. For up to one year if the student is of limited English proficiency and has not demonstrated proficiency in English as determined by the assessment system developed to evaluate academic progress of an LEP student; or
2. For an additional two years if the student received the one year exemption and is a recent unschooled immigrant or is in a grade for which no assessment instrument in the primary language of the student is available.

"Recent unschooled immigrant" means an immigrant who initially enrolled in a school in the United States not more than 12 months before the date of the administration of an assessment of academic skills and who, as a result of inadequate schooling outside of the United States, lacks the necessary foundation in the essential knowledge and skills of the curriculum determined by the LPAC. [See EHBE] To the extent authorized by federal law, a child's prior enrollment in a school in the United States shall be determined on the basis of documents and records required for enrollment. LEP STUDENTS AT
THE EXIT LEVEL

LEP students are not eligible for an exemption from the exit-level assessment of academic skills on the basis of limited English proficiency. However, LEP students who are recent immigrants may postpone one time the initial administration of the exit-level test. "Recent immigrant" means an immigrant who first enrolls in U.S. schools no more than 12 months before the administration of the test from which the postponement is sought. *19 TAC 101.1005*

LEP STUDENTS AT
OTHER GRADES

In grades 3–6, the LPAC shall determine whether an LEP student is administered the assessment of academic skills in English or in Spanish. An LEP student may be administered a Spanish version of the assessment of academic skills for a maximum of three years. If the LEP student is an immigrant, the number of LEP exemptions and administrations of the assessment in Spanish must not exceed three.

IMMIGRANT
STUDENTS

Certain immigrant LEP students who have had inadequate schooling outside the U.S. may be eligible for an exemption from the assessment of academic skills during a period not to exceed their first three school years of enrollment in U.S. schools. "Immigrant" is defined as a student who has resided outside the 50 United States for at least two consecutive years.

1. An immigrant LEP student who achieves a rating of advanced high on the state-administered reading proficiency tests in English during the student's first school year of enrollment in U.S. schools is not eligible for an exemption in the second or third school year of enrollment in U.S. schools. An immigrant LEP student who achieves a rating of advanced or advanced high on this assessment during the student's second school year of enrollment in U.S. schools is not eligible for an exemption in the third school year of enrollment in U.S. schools.
2. During the first school year of enrollment in U.S. schools, the immigrant student may be granted an LEP exemption if the LPAC determines that the student has not had the schooling outside the U.S. necessary to provide the foundation of learning that Texas schools require and measure on the assessment, whether the foundation be in knowledge of the English language or specific academic skills and concepts in the subjects assessed.
3. During the second and third school year of enrollment in U.S. schools, the immigrant student whose schooling outside the U.S. was inadequate and for whom a primary language assessment is not available may be granted an LEP exemption if the LPAC determines that the student lacks the academic language proficiency in English necessary for an

assessment of academic skills in English to measure the student's academic progress in a valid, reliable manner.

4. During the second and third school year of enrollment in U.S. schools, the immigrant student whose schooling outside the U.S. was inadequate and for whom a Spanish-version assessment is available is not eligible for an LEP exemption and must take the assessment in either English or Spanish unless:
 - a. The student is in an English as a second language program that does not call for instruction in Spanish and the LPAC determines that the student lacks the language proficiency in English and the academic instruction and/or literacy in Spanish for the assessment in either English or Spanish to measure the student's academic progress in a valid, reliable manner; or
 - b. The student is in a bilingual education program and the LPAC has documentation, including signed verification by the parent or guardian whenever possible, that there was an extensive period of time outside the U.S. in which the student did not attend school and that this absence of schooling resulted in such limited academic achievement and/or literacy that assessment in either English or Spanish is inappropriate as a measure for school accountability. The term "extensive period of time outside the U.S.," as used in this paragraph, shall be defined in the test administration materials.

Students exempted under the above provisions shall be administered assessments in subjects and grades required by federal law and regulations as delineated in the test administration materials. Exempt students assessed only for federal accountability purposes shall not be subject to the grade advancement requirements under the Student Success Initiative.

An LEP student whose parent or guardian has declined the services required by Education Code Chapter 29, Subchapter B [see EHBE], is not eligible for an exemption under the above provisions. The student shall take the assessments of academic skills in English and the English Language Proficiency Assessments.

The District may administer the assessment of academic skills in Spanish to a student who is not identified as LEP but who participates in a two-way bilingual program if the LPAC determines the assessment in Spanish to be the most appropriate measure of the student's academic progress. However, the student may not be

The District prohibits sexual harassment and harassment based on a person's race, color, gender, national origin, disability, or religion.

Employees shall not tolerate harassment of students and shall make reports as required at REPORTING PROCEDURES, below.

SEXUAL
HARASSMENT

BY AN EMPLOYEE

Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it:
 - a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
 - b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual.

BY OTHERS

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;

Necessary or permissible physical contact such as assisting a child by taking the child's hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.

OTHER PROHIBITED
HARASSMENT

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, gender, national origin, disability, or religion that is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

EXAMPLES

The investigation may also include analysis of other information or documents related to the allegations.

The District's obligation to conduct an investigation is not satisfied by the fact that a criminal or regulatory investigation regarding the same or similar allegations is pending.

Absent extenuating circumstances, the investigation should be completed within ten business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the District official overseeing the investigation.

DISTRICT ACTION

If the results of an investigation indicate that prohibited harassment occurred, the District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the harassment.

The officer shall permit a second additional ten-day examination period if, within the first additional period, the requestor files with the officer a second written request for time. The time during which a person may examine information may be interrupted by the officer if the information is needed for use by the Board. The officer for public information shall provide a copy in the requested medium if the District has the technological ability to produce the information in the requested medium and is not required to purchase any software or hardware to accommodate the request, and providing the copy will not violate any copyright agreement between the District and a third party.

If the officer is unable to comply with a request to produce a copy of information in a requested medium for any of these reasons, the District shall provide either a paper copy or a copy in another medium that is acceptable to the requestor. The officer is not required to copy information onto a diskette or other material provided by the requestor but may use District supplies.

ATTORNEY GENERAL
DECISIONS

If the District receives a written request, including a request that is sent by electronic mail or facsimile transmission if that request is sent to the Superintendent or designee, for information it wishes to withhold from public disclosure and that it considers to be within one of the exceptions to required disclosure, but for which there has been no previous determination that it falls within one of the exceptions, the District, not later than the tenth business day after receiving the written request, shall ask for a decision from the attorney general about whether the information is within one of the exceptions and state the exception that applies. If a decision from the attorney general is not so requested or the District fails to provide the requestor with the statement and a copy of the District's communication to the attorney general, as described below, the information is presumed to be public information and must be released unless there is a compelling reason to withhold it. *Gov't Code 552.301(a), (b), (c), 552.302; Tex. Atty. Gen. ORD-673 (2000)*

The District may not request an open records decision from the attorney general if the District reasonably believes that the requested information is not excepted from required disclosure. The District must promptly produce the requested information to the requestor. *Tex. Atty. Gen. ORD-665 (2000)*

The District shall release the requested information and may not ask for an attorney general decision if the District has previously requested and received a determination from the attorney general concerning the precise information at issue in a pending request and the attorney general or a court determined that the information is public information that is not within one of the exceptions. *Gov't Code 552.301(f); Tex. STATEMENT TO
REQUESTOR

If the District requests an attorney general decision, it must provide to the requestor within a reasonable time but not later than the tenth business day after the date of receiving the requestor's written request:

1. A written statement that the District wishes to withhold the requested information and has asked for a decision from the attorney general about whether the information is within an exception to public disclosure.

SUBMISSION TO
ATTORNEY
GENERAL

When the District requests a decision, it shall, within a reasonable time but not later than the 15th business day after the date of receiving the request for information, submit to the attorney general all of the following:

1. Written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld.
2. A copy of the written request for information.
3. A signed statement as to the date on which the written request for information was received by the District or evidence sufficient to establish that date.
4. A copy of the specific information requested, or representative samples of the information, if a voluminous amount of information was requested. These copies must be labeled to indicate which exceptions apply to which parts of the copy.

Unless the information is confidential by law, the officer may disclose the requested information to the public or the requestor before a final determination that the information is public has been made by the attorney general or a court with jurisdiction.

ADDITIONAL
INFORMATION

If the attorney general determines that additional information is necessary to render a decision, the attorney general shall give the District and the requestor written notice of that fact. Upon receipt

of such notice, the officer shall submit the necessary additional information to the attorney general not later than the seventh calendar day after the date the notice is received. If the officer does not comply with the attorney general's request for additional information, the information is presumed to be subject to required public disclosure and must be released unless there is a compelling reason to withhold the information.

Gov't Code 552.301(d), (e), 552.303

SPECIAL
INTERESTS

In a case in which information is requested and a person's privacy or property interests may be involved, including a case under Government Code 552.101, 552.104, and 552.114 (see pages 2–3 of this policy), the District may decline to release the information for the purpose of requesting a decision from the attorney general. The District may, but is not required to, submit its reasons why the information should be withheld or released.

NOTICE TO
OWNER OF
PROPRIETARY
INFORMATION

If release of a person's proprietary information may be subject to exception under Government Code 552.101, 552.110, 552.113, or 552.131, a district that requests an attorney general decision shall make a good faith attempt to notify that person of its request for the attorney general decision. The notice must include a copy of any written request the District received for the information and a statement, in the form prescribed by the attorney general, that the person is entitled to submit to the attorney general, not later than the tenth business day after the person receives the notice, a written statement of the reason(s) why the information should be withheld and a letter, memorandum, or brief supporting the reason(s).

Gov't Code 552.305

COSTS AND
CHARGES

The charge for providing a copy of public information shall be an amount that reasonably includes all costs related to reproducing the public information, including costs of materials, labor, and overhead. If a request is for 50 or fewer pages of paper records, the charge for providing the copy of the public information may not include costs of materials, labor, or overhead, but shall be limited to the charge for each page of the paper record that is photocopied, unless the pages to be photocopied are located in two or more separate buildings that are not connected with each other or a remote storage facility. If the charge for providing a copy of public information includes costs of labor, the requestor may require the officer or the officer's agent to provide the requestor with a written statement as to the amount of time that was required to produce and provide the copy. The statement must be signed by the officer or the officer's agent, and the officer or the officer's name must be typed or legibly printed below the signature. A charge may not be imposed for providing the written statement to the

requestor. The District shall also charge for the cost of materials, labor, and overhead when the request is for any number of copies of information that is not readily available. Charges for providing a copy of public information are considered to accrue at the time the governmental body advises the requestor that the copy is available on payment of the applicable charges. *Gov't Code 552.261*

The District shall use the BPC rules to determine the charges for providing copies of public information and to determine the charge, deposit, or bond required for making public information that exists in a paper record available for inspection, except to the extent that other law provides for charges for specific kinds of public information. The charges for providing copies of public information may not be excessive and may not exceed the actual cost of producing the information or form making public information that exists in a paper record available. The District may determine its own charges for producing public information and its own charge, deposit, or bond for making public information that exists in a paper record available for inspection, but may not charge an amount that is greater than 25 percent more than the amount established by the BPC, unless it requests an exemption. *Gov't Code 552.261, 552.262; 1 TAC 111.61(b)* [See also GBAA(EXHIBIT)]

EXEMPTIONS

The District may request that it be exempt from part or all of the rules adopted by the BPC for determining charges for providing copies of public information or the charge, deposit, or bond required for making public information that exists in a paper record available for inspection. The request must be made in writing to the BPC and must state the reason for the exemption. If the BPC determines that good cause exists, the commission shall grant the exemption by giving written notice of the determination within 90 days of the request. When it receives the notification, the District may amend its charges for providing copies of public information or its charge, deposit, or bond required for making public information that exists in a paper record available for inspection according to the terms of the commission's determination. *Gov't Code 552.262(c)*

COPIES FOR
PARENTS

The District may charge a reasonable fee in accordance with the above requirements for copies of materials provided to parents pursuant to Education Code Chapter 26. *Education Code 26.012*

STATEMENT OF
ESTIMATED
CHARGES

If a request for a copy of public information or a request to inspect a paper record will result in the imposition of a charge that exceeds \$40, the District shall provide the requestor with a written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs. If an alternative less costly method of viewing the records is available, the statement must include a notice that the requestor may contact

the District regarding the alternative method. The District must inform the requestor of the duties imposed on the requestor by this section and give the requestor the information needed to respond as detailed in Government Code 552.2615(a).

If, after the District provides the requestor the itemized statement but before it makes the copy or the paper record available, the District determines that the estimated charges will exceed the charges detailed in the original itemized statement by 20 percent or more, the District shall send to the requestor an updated written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs.

REQUESTOR'S
RESPONSE

A request for which the District is required to produce an (original or updated) itemized statement of estimated charges is considered to have been withdrawn if the requestor does not respond in writing to the itemized statement by informing the District within ten days after the date the statement is sent to the requestor that:

1. The requestor will accept the estimated charges.
2. The requestor is modifying the request in response to the itemized statement; or
3. The requestor has sent to the Texas Building and Procurement Commission a complaint alleging that the requestor has been overcharged for being provided with a copy of the public information.

ACTUAL
CHARGES

If the actual charges that the District imposes for a copy or inspection of public information exceed \$40, the charges may not exceed:

1. The amount estimated in the updated itemized statement; or
2. If an updated itemized statement is not sent to the requestor, an amount that exceeds by 20 percent or more the amount estimated in the original itemized statement.

TIMING OF
DEADLINES

An original or updated itemized statement is considered to have been sent by the District, and a requestor is considered to have responded to the statement, on the date that the statement or response is:

1. Delivered in person;
2. Deposited, properly addressed, in the U.S. mail; or
3. Transmitted by electronic mail or facsimile, provided the requestor agrees to receive the statement by those means.

The time deadlines for providing the required statement of estimated charges do not affect the application of a time deadline

imposed on the District for requesting a decision by the attorney general under Government Code 552, Subchapter G.

Gov't Code 552.2615

DEPOSIT OR BOND

The officer for public information or his or her agent may require a deposit or bond for payment of anticipated costs for the preparation of a copy of public information if the officer for public information or the officer's agent has provided the requestor with the required written itemized statement detailing the estimated charge for providing the copy and if the charge for providing the copy of the public information specifically requested by the requestor is estimated by the District to exceed \$100, if the District has more than 15 full-time employees; or \$50, if the District has fewer than 16 full-time employees. The officer for public information or the officer's agent may not require a deposit or bond be paid as a down payment for copies of future information that the requestor may request in the future. *Gov't Code 552.263(a), (b); 1 TAC 111.67(d)*

The officer for public information or the officer's agent may require a deposit or bond for payment of unpaid amounts the requestor owes the District in relation to previous public information requests before preparing a copy of public information in response to a new request if those unpaid amounts exceed \$100. The officer for public information or the officer's agent may not seek payment of those unpaid amounts through any other means. *Gov't Code 552.263(c)*

The District must fully document the existence and amount of those unpaid amounts or the amount of any anticipated costs before requiring a deposit or bond under this section. The documentation is subject to required public disclosure. *Gov't Code 552.263(d)*

If the District requires a deposit or bond from the requestor, a request for a copy of public information is considered to have been received by the District on the date it receives the deposit or bond for payment of anticipated costs or unpaid amounts. *Gov't Code 552.263(e)*

WAIVERS

If the cost to the District of processing the collection of a charge for providing a copy of public information will exceed the amount of the charge, the Board may waive the charge. If the District determines that waiver or reduction of the charge is in the public interest because providing the copy of the information primarily benefits the general public, the District may waive or reduce the charge for a copy of public information. *Gov't Code 552.267*

GOVERNMENT
PUBLICATION

The cost provisions described above do not apply to a publication that is compiled and printed by or for the District for public

dissemination. If the cost of the publication is not determined by state law, the District may determine the charge for providing the publication, or it may provide the publication free of charge, if state law does not require a certain charge. *Gov't Code 552.270*

INSPECTION OF
PUBLIC
INFORMATION

If the requestor does not request a copy of public information, the District may not impose a charge for making available for inspection any public information that exists in a paper record. If a page contains confidential information that must be edited from the record before the information can be made available for inspection, however, the District may charge for the cost of making a photocopy of the page from which the confidential information must be edited. No charge other than the cost of the photocopy may be imposed. *Gov't Code 552.271(a), (b)*

PAYMENT, OR
DEPOSIT OR BOND

The officer for public information or the officer's agent may require a requestor to pay, or to make a deposit or post a bond for the payment of, anticipated personnel costs for making available for inspection public information that exists in paper records only if:

1. The public information specifically requested by the requestor is older than five years or completely fills, or when assembled will completely fill, six or more archival boxes; and
2. The officer for public information or the officer's agent estimates that more than five hours will be required to make the public information available for inspection.

Gov't Code 552.271(c)

CERTAIN SMALL
DISTRICTS

If the District has fewer than 16 full-time employees, the payment, or deposit or bond may be required only if:

1. The public information specifically requested by the requestor is older than three years or completely fills, or when assembled will completely fill, three or more archival boxes; and
2. The officer for public information or the officer's agent estimates that more than two hours will be required to make the public information available for inspection.

Gov't Code 552.271(d)

ELECTRONIC
RECORDS

If the District receives a request to inspect information that exists in an electronic medium and the information is not available directly on-line to the requestor, a charge may not be imposed for access to the information unless complying with the request will require programming or manipulation of data. If programming or manipulation of data is required, the Board shall notify the requestor before

assembling the information and provide the requestor with an estimate of charges that will be imposed.

If public information exists in an electronic form on a computer owned or leased by the District, and the public has access to that information through a computer network or other means, the electronic form of the information may be electronically copied from that computer without charge if accessing the information does not require processing, programming, or manipulation on the District's computer before the information is copied. If such information does require processing, programming, or manipulation before it can be copied, the Board may impose charges.

If the District creates or keeps information in an electronic form, it is encouraged to explore options to separate confidential information from public information and make the public information available to the public through electronic access through a computer network or other means.

A District record that is subject to a request under Chapter 552, Government Code shall not be destroyed until the request is resolved. *Local Gov't Code 202.002*

PRESERVATION OF
RECORDS

The Board shall determine a time for which information that is not currently in use will be preserved, subject to any applicable rule or law governing the destruction and other disposition of local government records or public information. *Gov't Code 552.004* [See CPC]

The Board shall preserve the certified agenda or tape recording of a closed meeting for at least two years after the date of the meeting. FILING SUIT TO
WITHHOLD
INFORMATION

The Board or the officer for public information may, within the time lines provided for in Government Code 552.324(b) and 552.353(b)(3), file suit seeking to withhold information, but the requestor may not be named as a party to that action. The Board or officer for public information must demonstrate to the court that the Board or officer made a timely good faith effort to inform the requestor, by certified mail or other method of written notice that requires the return of a receipt, of:

1. The existence of the suit, including the subject matter, the cause number, and the court in which the suit is filed.
2. The requestor's right to intervene in the suit or to choose not to participate.
3. The fact that the suit is against the attorney general.
4. The address and phone number of the office of the attorney general.

PARENT'S REQUEST
FOR INFORMATION

A district that seeks to withhold information from a parent who has requested public information relating to the parent's child under Chapter 552, Government Code, and that files suit as described by Government Code 552.324 to challenge a decision by the attorney general must bring the suit not later than the 30th calendar day after the date the district receives the decision of the attorney general.

A court shall grant such a suit precedence over other pending matters to ensure prompt resolution of the subject matter of the suit. Notwithstanding any other law, the District may not appeal the decision of a court in such a suit challenging a ruling of the attorney general. This prohibition does not affect the right of a parent to appeal the decision. If the District does not bring suit within the period established, the District shall comply with the decision of the attorney general.

ATTORNEY
GENERAL

A district that files suit seeking to withhold information may raise only those exceptions to required disclosure that the district properly raised before the attorney general in connection with a request for a decision by the attorney general, unless the exceptions raised by the district in its suit seeking to withhold information are required by federal law or involve property or privacy interests of another person. *Gov't Code 552.326*

APPLICATION FOR
ACCESS TO
DOCUMENTS

Persons desiring to review documents maintained by the District and classified as public information shall submit their request in accordance with administrative regulations.

APPROVAL OF
APPLICATION TO
REVIEW

Applications to review public documents shall be approved by the Superintendent or designee. Documents may be accessed for review only during regular school hours in a designated inspection area.

COPY LIMIT

The Superintendent or designee may limit the number of pages that can be reproduced during a person's visit, based on the reasonable capacity of the available personnel and machines. Any copying in excess of this limit shall be completed as soon as possible and mailed to the applicant.

GUIDELINES FOR COPY CHARGES

The charges in this exhibit, to recover costs associated with providing copies of public information, are based on estimated average costs to governmental bodies across the state. When actual costs are 25 percent higher than those used in these rules, governmental bodies other than agencies of the state may request an exemption in accordance with 1 TAC 111.64.

Copy charges are as follows:

1. Standard-paper copy. The charge for standard-paper copies reproduced by means of an office machine copier or a computer printer is \$.10 per page or part of a page. Each side that has recorded information is considered a page.
2. Nonstandard-size copy. The charges for nonstandard copies are:
 - a. Diskette — \$1.00
 - b. Magnetic tape — actual cost
 - c. Data cartridge — actual cost
 - d. Tape cartridge — actual cost
 - e. Rewritable CD (CD-RW) — \$1.00
 - f. Non-rewritable CD (CD-R) — \$1.00
 - g. Digital video disc (DVD) — \$3.00
 - h. JAZ drive — actual cost
 - i. Other electronic media — actual cost
 - j. VHS video cassette — \$2.50
 - k. Audio cassette — \$1.00
 - l. Oversize paper copy (e.g., 11" x 17", greenbar, bluebar, not including maps and photographs using specialty paper) — \$.50
 - m. Specialty paper (e.g., Mylar, blueprint, blueline, map, photographic) — actual cost

Personnel charges are as follows:

1. If a particular request requires the services of a programmer in order to execute an existing program or to create a new program so that requested information may be accessed and copied, the District may charge for the programmer's time. The hourly charge for a programmer is \$28.50 an hour, which includes fringe benefits. Only programming services will be charged at this hourly rate. Districts that do not have in-house programming capabilities will comply with requests in accordance with Government Code 552.231. [See CQ]

GBAA
(EXHIBIT)

2. The charge for labor costs incurred in processing a request for public information is \$15.00 an hour, which includes fringe benefits. The labor charge includes the actual time to locate, compile, and reproduce the requested information.
3. A labor charge will not be billed in connection with complying with requests that are for 50 or fewer pages of paper records, unless the documents to be copied are located in two or more separate buildings that are not physically connected to each other or a remote storage facility. For purposes of this provision, two buildings connected by a covered or open sidewalk, an elevated or underground passageway, or a similar facility, are not considered to be separate buildings.
4. A labor charge should not be recovered for any time spent by an attorney, legal assistant, or any other person who reviews the requested information:
 - a. To determine whether the District will raise any exceptions to disclosure of the requested information under Government Code, Subchapter C, Chapter 552; or
 - b. To research or prepare a request for a ruling by the attorney general's office pursuant to section 552.301 of Government Code. [See CQ]
5. When confidential information pursuant to a mandatory exception of the Act is mixed with public information in the same page, a labor charge may be recovered for time spent to redact, blackout, or otherwise obscure confidential information in order to release the public information. A labor charge will not be made for redacting confidential information for requests of 50 or fewer pages, unless the request also qualifies as a labor charge pursuant to Government Code 552.261(a)(1) or (2).

Overhead charges are as follows:

1. Whenever any labor charge is applicable to a request, the District may include in the charges direct and indirect costs, in addition to the specific labor charge. This overhead charge would cover such costs as depreciation of capital assets, rent, maintenance and repair, utilities, and administrative overhead. If the District chooses to recover such costs, a charge will be made in accordance with the methodology described in item 3 below. Although an exact calculation of costs will vary, the use of a standard charge will avoid complication in calculating such costs and will provide uniformity for charges made statewide.
2. An overhead charge will not be made for requests for copies of 50 or fewer pages of standard paper records unless the request also qualifies for a labor charge pursuant to Government Code 552.261(a)(1) or (2).
3. The overhead charge will be computed at 20 percent of the charge made to cover any labor costs associated with a particular request. For example, if one hour of labor is used for a particular request, the formula would be as follows: Labor charge for locating, compiling, and reproducing, $\$15.00 \times .20 = \3.00 ; or programming labor charge, $\$28.50 \times .20 = \5.70 . If a request requires one hour of labor charge for locating, compiling, and reproducing information ($\$15.00$ per hour); and one hour of programming labor charge ($\$28.50$ per hour), the combined overhead would be: $\$15.00 + \$28.50 = \$43.50 \times .20 = \8.70 .

Microfiche and microfilm charges are as follows:

1. If the District already has information that exists on microfiche or microfilm and has copies available for sale or distribution, the charge for a copy must not exceed the cost of its reproduction. If no copies of the requested microfiche or microfilm are available and the information on the fiche or film can be released in its entirety, the District should make a copy of the fiche or film. The charge for a copy must not exceed the cost of reproduction. Districts that do not have in-house capability to reproduce microfiche or microfilm are encouraged to contact the Texas State Library before having the reproduction made commercially.
2. If only a master copy of information in microform is maintained, the charge is \$.10 per page for standard-size paper copies plus any applicable labor and overhead charge for more than 50 copies.

Remote document retrieval charges are as follows:

1. Due to limited on-site capacity of storage of documents, it is frequently necessary to store information that is not in current use in remote storage locations. Every effort should be made by the District to store current records on-site. To the extent that the retrieval of documents results in a charge to comply with a request, it is permissible to recover costs of such services for requests that qualify for labor charges under current law.
2. If the District has a contract with a commercial records storage company, whereby the private company charges a fee to locate, retrieve, deliver, and return to storage the needed record(s), no additional labor charge will be factored in for time spent locating documents at the storage location by the private company's personnel. If after delivery to the District, the boxes must still be searched for records that are responsive to the request, a labor charge is allowed in accordance with item 2 under personnel charges, above.

Computer resource charges are as follows:

1. The computer resource charge is a utilization charge for computers based on the amortized cost of acquisition, lease, operation, and maintenance of computer resources, which might include, but is not limited to, some or all of the following: central processing units (CPUs), servers, disk drives, local area networks (LANs), printers, tape drives, other peripheral devices, communications devices, software, and system utilities.
2. These computer resource charges are not intended to substitute for cost recovery methodologies or charges made for purposes other than responding to public information requests.
3. The charges in this section are averages based on a survey of governmental bodies with a broad range of computer capabilities. Each district using this cost recovery charge will determine which category(ies) of computer system(s) used to fulfill the public information request most closely fits its existing system(s) and set its charge accordingly:

<u>Type of System</u>	<u>Rate</u>
Mainframe	\$10.00 per CPU minute
Midsized	\$ 1.50 per CPU minute
Client/Server	\$ 2.20 per clock hour
PC or LAN	\$ 1.00 per clock hour

4. The charge made to recover the computer utilization cost is the actual time the computer takes to execute a particular program times the applicable rate. The CPU charge is not meant to apply to programming or printing time; rather, it is solely to recover costs associated with the actual time required by the computer to execute a program. This time, called CPU time, can be read directly from the CPU clock, and most frequently will be a matter of seconds. If programming is required to comply with a particular request, the appropriate charge that may be recovered for programming time is described above, at Personnel Charges. No charge should be made for computer print-out time. For example, if a mainframe computer is used, and the processing time is 20 seconds, the charges would be as follows: $\$10.00 / 3 = \3.33 ; or $\$10.00 / (60 / 20) = \3.33 .

A district that does not have in-house computer capabilities will comply with requests in accordance with Government Code 552.231. [See CQ]

The actual cost of miscellaneous supplies, such as labels, boxes, and other supplies used to produce the requested information may be added to the total charge for public information.

Governmental bodies may add any related postal or shipping expenses that are necessary to transmit the reproduced information to the requesting party.

Pursuant to Office of the Comptroller of Public Accounts' rules, sales tax will not be added on charges for public information. (34 TAC, Part 1, Chapter 3, Subchapter O, Sections 3.341 and 3.342).
