Dear Dr. Tyler Reed, School Board Members, and Community Members,

It is my honor to recognize Logan Romig as our Volunteer of the Month in appreciation of his outstanding dedication and service to our wrestling program.

Logan spends countless hours volunteering each year as a wrestling coach, but this season in particular, his commitment has gone far beyond what could ever be expected. Following the first day of the season, our wrestling program was left without a coach. While our school counselor stepped in to support the program, Logan rose to the occasion and took on a major part of the coaching role, committing his time and energy to ensure our athletes had the guidance and support they needed.

Logan holds our athletes to high expectations while supporting them every step of the way, always pushing them to be their best both on and off the mat. His positive influence has made a meaningful impact on our students and has strengthened our wrestling program in lasting ways.

We are incredibly grateful for Logan's time, energy, and heart. His willingness to step up when it mattered most exemplifies the true spirit of volunteerism and makes him exceptionally deserving of this recognition.

Sincerely,

Lori Dilbeck  
Principal
