To: Teri Alarcon – Area Assistant Superintendent

From: Todd Nichols – Assistant Administrator for Technology Services

Date: February 1, 2019

Subject: High School Kiosk

Ms. Alarcon,

In reference to the Kiosk request that was discussed this morning during our meeting, I did call the company named 27 Gen T (<http://www.27gent.com/how-it-works/>). The company offers one free Kiosk per campus. They recommend the Kiosk be placed in the school cafeteria due to high traffic area. The Kiosk is broken into three sections:

- Section 1 (Top screen for national and local advertising)
- Section 2 (Middle screen is designated for college information)
 - o National Map (Student can look for college of choice)
 - Drop Down Menu
 - Financial Aid
 - Admission Requirements
 - Required Exams
 - o Employment Information
 - Links to Texas Workforce
 - Part Time Positions
 - o Tutoring Links
 - o Social Service Contacts
 - Bullying
 - Counseling
 - o Student Incentives
 - Scholarships
 - Freebie Items
- Section 3 (School Information – School will be allowed to change information on demand)
 - o Daily Announcements
 - o Student Information
 - o Deadlines

My point of contact was Tony and Maribel Alvarez. (956-408-5196)
