

2019-2020

Club Name MAGIC THE GATHERING Sponsor KAYLA JECKELL & NICHOLA

**Club Goals:**

1. To increase math fluency (using numbers to add subtract and compare)
  2. To increase student's ability to analyze data and make decisions based on the data shown.
  3. To improve reasoning skills
  4. To make a connection between older mentors and younger students.
  5. To show real world connections to math, and to use a game to make it fun
- 

**Proposed Meeting Dates:** Every Tuesday starting in January. A schedule will be proived for students.

At the end of the year, MAY we want to host a Magic the Gathering tournament. Date TBD

---

---

---

**Summary of Proposed Club Activities:** The club will introduce younger students (grade 5-8) to the game

Students will learn how it works and how to apply math skills to it.

Students will learn how to play a two player game and a multiplayer game.

They will apply math to keep score, to battle creatures and use counters. Students will also learn new T1 vocabu

At the end of the year, MAY we want to host a Magic the Gathering tournament.

All sponsors must keep sign-in sheets for ALL meetings and sign-in sheets will include the date

of the meeting and SIGNATURES of STUDENTS attending. These sign-in sheets will be turned in at the end of the year prior to receiving the stipend.
