THREE RIVERS VALUES

Learning:

- § All students can be successful
- § All students connect at our schools
- § Parents, Community, and Businesses: partners for achievement

PRINCIPAL'S NEWS

Fall sports ended this week with our last home football game at North Valley HS against Lincoln Savage MS, congratulations to ALL teams! We will be starting boy's basketball around the corner next week.

Our 21st century after-school activities have begun. If your child has not signed up please contact the office. A permission slip needs to be signed before your child can stay. They are M-Th with activity buses available for the trip home; do remember these routes are shorter. Tutoring is available on Tuesdays. Please use this opportunity to meet with teachers if your son or daughter needs a little extra help in their classes.

Red Ribbon Week and Spirit Week are underway. We started the week off with an all school assembly and will be ending the week with our Halloween dance. Permission slips are needed to attend the dance. At the assembly, Ms. Wicks shared data with our students on making healthy choices regarding drugs and alcohol. EPIC has presented their presentations to our 7th & 8th graders during the month of October.

Next month, parent/teacher conferences will be the week of Thanksgiving. We will offer ½ day on Monday and all day Tuesday. Some conferences will be scheduled by teachers and/or parent; the other times will be open to stop by and all teachers will be available arena style in the gym. Please call the office if you would like to schedule a conference for your child.

The month of November has a lot of days off for various reasons- holidays, clerical days, and conferences. Please make attendance at school a priority. Our attendance is staying up around 94-95%. This is AWESOME! Keep it up Fleming! We are seeing Monday as our lowest day of the week. School is the utmost importance for your child's success in school!

PARENT TIP OF THE MONTH

Incorporate the “when you” rule. One of life’s lessons is that we get the goodies after we do the work. When you practice shooting hoops every day, you start making more baskets. You get paid after you work at your job. So start saying things like, “When you finish studying you are welcome to go to Gavin’s house.” Or “When your homework is completed, we can discuss watching that movie you wanted to see on Netflix.” Enforce this rule and stick to it. If your child does not yet have the ability to plan and initiate and persevere, by sticking to this rule, you are helping them learn how to do what their own brain is not yet

FAMILY ADVOCATE

Fall is in full colors and the cold and wet weather is upon us. Our family advocate room is stocked with coats and sweaters, gloves and hats and socks and shoes. Please let us know if we can help support your student this fall and winter season. We are also happy to help get you connected with other helpful services within our community.

LIBRARY

The Oregon Battle of the Books teams are going to meet during 7th period twice a week soon. Keep reading team. Some students have read almost all of the OBOB books. Great job. We can do it.

Send in all of your Box-Tops to the library. Thank you for all your

ATHLETICS

Our Fleming Cavaliers had a great Fall Season. Girls Volleyball completed a winning season and looked awesome on the court in their new uniforms. Football had some good games including a win against St Mary’s when everyone got to play. The players showed great team spirit and sportsmanship. Lots of Personal Bests were achieved by our XC runners. We are proud of all our Student Athletes!
Boys Basketball Games start the week of November 6th. Come

PBIS

Red Ribbon week was a big success. We had a ton of Fun dressing up and participating in lunchtime activities. Students learned the importance of living a drug and alcohol free life. There was a lot of creativity shown by our Fleming Cavaliers in the poster and door decorating contests.

****Don’t forget we have Homework Help from 7:30-8:30am Monday - Thursday where your student can come and receive some extra classroom support.**
