**Topic:** Resolution on Hazardous Areas for the 2026-2027 School Year

**Submitted by:** Pablo F. Orozco, Executive Director of Facilities and Maintenance

**Approved for Transmittal:** 

**Board Meeting Date:** 5/14/2026

**Recommendation:**

The Administration recommends that the Board of Trustees approve the resolution declaring 38 areas to be hazardous for students walking to and from school and requests approval for bus transportation from the Commissioner of the Texas Education Agency for the 2026-2027 school year.

**Rationale:**

The Texas Education Code allows a school district to apply for additional transportation funding from the Texas Education Agency for transporting students to school who live within two (2) miles of their home campus and would have to walk through areas that are deemed hazardous. Prior to applying for this additional transportation funding, the Board must approve a resolution describing the hazardous areas for which funding may be requested.

**Budget Information:**

After approval, transportation funding will be requested from the Texas Education Agency as allowed by the state statute.
