Subject: District/Campus Improvement Plans

Discussion/Action

BACKGROUND INFORMATION:

Texas Education Code §11.251(a) requires every district and campus to develop, review, and revise annual goals to improve student performance across all student populations strategically. In addition, House Bill 3 (HB 3) requires school boards to adopt long-term goals in early literacy, early math, and college, career, and military readiness (CCMR), which must include annual performance targets.

To meet these requirements, the district and campuses engage in a collaborative planning process that incorporates input from staff and the community.

STRATEGIC GOAL: All goals are addressed.

ITEM ADDRESSED: The presentation will include the purpose, process, and key inclusions of district and campus improvement plans.

BUDGET INFORMATION: There are no budget implications.

RECOMMENDED ACTION: No action is necessary as this is an informational item.
