

## SCHOOL BOARD MEETING REPORT

**Board Meeting Date:** 11/15/2017      **Superintendent:** Dave Valenzuela

**Administrator/Staff:** Bruce Reece

**Type of Item:**       *Informational*       *Action*

**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

I would like to attend the NIAAA national convention in Phoenix, Arizona, December 8-12, 2017. The topics for the convention are very informative and timely for our high school. There is a turf field workshop which is the most interesting topic for me. The rain this year has shown us that our facilities are in need of care. I will use district athletic money for the trip. The \$300.00 for the flight. Meals will be 6 full days for meals at \$34.00 per day, \$204.00. A car rental of around \$300.00. The hotel cost will be \$204.10 per night including taxes (\$1,020.50). For a total of \$1,824.50.

**Provide history/background information on your proposal:**

I have been an Athletic Director since the fall of 2005 and have been around 4 other Athletic Directors who were deeply involved at the national level. They taught me a ton about being an Athletic Director. They always told me to go to the National Convention but I was never able to attend. I am now ready to go and become more involved at the national level. This will help our school become a better school in the long run.

**List the advantages of your proposal:**

I will attend as many sessions that they offer and learn the best ways to run our athletic programs. I will learn how to build or rebuild our facilities to make them more useable and attractive for student/athletes to want to be here.

**List possible disadvantages of your proposal:**

None

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**

There is only one convention each year.

**Superintendent's recommendation(s):**

**Approve:** Yes  No
