

Board Talking Points

April 2022

It is exciting to see normal spring activities resuming for our students! We are all yearning for a return to our normal lives. Although COVID is not yet over, we are hopeful for the continued reduction of cases and hospitalizations.

IMESD recently adopted a theme of “Recovery and Reconnection” for the coming year to focus on the emotional and mental needs of our regional educators due to the impact of the pandemic. One of our key strategies is the return of celebratory events. Our first major activity will be the annual Crystal Apple Awards Ceremony next month. We are excited to honor district professionals in-person once again at two different sites.
