Ben,

Here is the pricing for the sketch you approved. We are making a sample uniform from this sketch. We can give you a formal quote once you have seen the sample and approve it. We do it this way because sometimes people make slight or larger than slight changes to the sample and it can have an impact on the pricing for both Orefice and the customer. I should have the sample before you go on Holiday break.

If you have any questions please feel free to give me a call.
