STRATEGIC PLAN PRESENTATIONS

Handouts: June 11, 2016 Strategic Plan Summary Document; Hillsdale County Strategic Plan 2016-2021 “living document”; Strategic Plan Overview

Superintendent Ronna Steel provided an overview of the five areas of the strategic plan: Leadership; Personnel Communication; Academics; Learning Environment; and Culture Operations. Each leader of the five areas along with members of their teams presented the progress in each of the areas.

OTHER ITEMS

Board Members commented on the presentations:

Laurie Brandes commented that she was impressed, and asked that future updates could be a few times a year perhaps from 4:00 to 5:30. Laurie added that we’ve come a long way in three years. The HCISD’s reputation has come a long way because of the employees.

Laura Nye commented that she would like updates, and perhaps some items will come off the list of objectives at some point. Laura thanked the staff for their work on the strategic plan.

Maxine Vanlerberg commented that from what she recalls (referring to her attendance at the June 11, 2016, strategic planning session) that the HCISD has come “leaps and bounds” and that she is impressed. Maxine added that she believes the image of the HCISD has come a long way and that the negativism has turned around.
