Commissioner

Dear Superintendent McNulty,

**State Board of
Education**

Ouida Newton
Poyen
Chair

Based on data from the 2022 State Summative Assessments, the Division of Elementary and Secondary Education will recommend to the State Board of Education that Joe T. Robinson High School and Driven Virtual Academy be placed in Accredited-Cited status under Standard 1-C.1.1 of the Standards for Accreditation for Arkansas Public Schools and School Districts because they did not meet the ninety-five percent (95%) testing requirement in Math and ELA for the 2021-2022 school year. If the State Board confirms the Division's classification, the Accredited-Cited status will remain with Joe T. Robinson High School and Driven Virtual Academy throughout the 2022-2023 school year and will be reported on the final accreditation report. This would be a first-year classification. Please note that the Standards and Support Office will continue to monitor the school and district throughout the school year for additional Standards exceptions.

Vice Chair

If the district wishes to appeal the Division's classification to the State Board of Education, it may do so within fifteen (15) calendar days of receipt of this notification. The appeal must be in writing on district letterhead and submitted to Matthew Sutherlin at
